## Outstanding Leadership Award

The Outstanding Leadership Award was instituted in 1994 in memory of Barbara Smalstig and her support of the National Junior Angus Association (NJAA). This award is given to one junior member per year in recognition of their outstanding leadership and involvement in Angus activities as well as their community. This award is available only to members of the NJAA who are 14 years of age or older as of January 1 of the current year.

The award winner is announced at the National Junior Angus Show, but will be presented with an eagle statue and a \$500 cash award at the Annual Banquet of the American Angus Association in November.

## JANET CASTLE CRYSTAL AWARD

The Janet Castle Crystal Award is in memory of Janet Castle, and is made possible by a generous donation from her family to the American Angus Auxiliary. Janet was one of the founders of the scholarship fund. She served as president of the Auxiliary in 1962. Janet's vision and dedication helped many junior Angus members, and it is appropriate that the Auxiliary sponsor this award in her honor. This award is based on placings in the NJAA contests. It is given to the overall high-point girl and the high-point boy.

## AMERICAN ANGUS AUXILIARY SILVER PITCHER AWARD

Exhibitors are awarded points based on their animals' placings in the on-hoof steer, owned cow-calf, owned heifer, bred-and-owned cow-calf pair, bred-and-owned bull, and bred-and-owned heifer categories. Extra points are given for champion and reserve divisions as well as grand and reserve grand champions in each of the categories. All entries shown by the exhibitor are eligible.

Rita 3X40 came to Jac's as the \$90,000 fourth high-selling donor of the record-setting 2007 Wehrmann Angus Sale and blends the longtime-feature at Select Sires, Expectation with the \$5.5 million producer, Precision 2536. Full sisters to this new Jac's Ranch addition include: Expectation 461, the \$100,000 feature of the Ratcliff Ranches program; Expectation 3X18, the \$70,000 Cool Spring Plantation and Pine Ridge Angus donor; and Blackcap 3X41, one of the many direct daughters of Precision 2536 featured in the Riverbend Ranch herd. Selling as a special feature and Lot 1 of the 19th Annual Family Tradition Sale will be an exciting baby heifer calf from Rita 3X40 sired by the ultrasound leader, Future Direction.

Gammer 603 is a full sister to the \$89,000 now-deceased Gammer 85. Gammer 603 is a direct daughter of the \$70,000 foundation Hudgins Land and Cattle donor, Gammer 233 sired by the multi-trait Pathfinder Genex/CRI roster member, Bando 598. Full sisters to this powerful donor include: Gammer 85, the dam of the breed leader for registrations, New Design 878 and the proven ABS Global and Three Trees Ranch sire, Foresight; Gammer 1056, the \$90,000 valued member of the Whitestone Farms donor program; Gammer 2760, the \$44,000 second high-selling donor of the 2004 Whitestone Sale selling to Blue Q Ranch; and Gammer 1055, the \$25,000 selection of Ankony Angus through the first Bohi Land and Cattle sale. The first opportunity to select progeny from the foundation Jac's Gammer sold through the 18th Family Tradition sale and this heifer pregnancy was selected by C&H Cattle Company for \$12,000. Featuring two heifer pregnancies in the 19th Family Tradition Sale from Gammer 603 sired by Precision 1023 and Onward.

## 2007 National Junior Angus Show Donors and Sponsors

The A-OK 2007 NJAS Committee is very proud to present this list of donors for this year's national show. These donors made cash donations, purchased sponsor pins, donated items to be auctioned, or purchased special lots dedicated to the A-OK NJAS. We are in awe of the number of supporters for this national show and appreciate the contribution of every donor. It is no wonder this is the largest single breed cattle show in the United States with such outstanding support. Thanks to all who helped "The American Dream" come true.

\* Denotes Donation for Meals

*We have sincerely tried to acknowledge every single donor. If there is an omission, please know that it was unintentional and we are very grateful for the number of donors and the tremendous support we have received.*

Our Embryo Lottery was a new fundraiser for the National Junior Angus Show. We would like to thank Julie McMahon French for her time and talent in helping us put this fundraiser together. We would especially like to thank the ranches that donated such special embryos. Their generous donations made this lottery successful.

### A special thanks to:

# Circle A Angus Ranches

## THE NEWEST ADDITIONS TO THE CIRCLE A HERD SIRE BATTERY!!

We wanted to add the influence of the outcross sire, Foresight and wanted a sire from one of the breeds prominent herd sire producing families, we then added two of the greatest descendants of the legendary Pathfinder, Miss Traveler 58.

### Woodhill Foresight 270N-S62

CED +7 • BW +2.1 • WW +52 • Milk +25 • YW 1+.96 • %IMF 1+.42 • RE 1+.34  
FAT 1-.002 • \$W +28.18 • \$F +35.96 • \$G +23.36 • \$B +50.77

S62 came to Circle A as the fourth high-selling bull of the recent Woodhill Farms Bull Sale. Foresight 270N-S62 combines Foresight with a dam blending Precision E161 and Ambush with the foundation Murphy's Angus Evergreen, Evergreen 760-152 a daughter of the original carcass sire, Scotch Cap.

### Woodhill Foresight 285M-S103

CED +9 • BW +1.0 • WW +56 • Milk +29 • YW 1+.100 • %IMF 1+.15 • RE 1+.35  
FAT 1+.005 • \$W +32.15 • \$F +38.56 • \$G +14.50 • \$B +42.49

S103 was selected as the \$21,000 top-selling bull of the 2007 Woodhill Bull Sale. Foresight 285M-S103 blends Foresight with a Pathfinder Dam sired by the calving-ease specialist, Venture Forward who stems from the foundation Evergreen in the Ankony Angus program, Evergreen 58-1536 who herself is a direct daughter of Miss Traveler 58 sired by the \$160,000 Right Time.

### Circle A IN Focus 5627

*Owned with DMI in Rolla, Missouri*

CED +12 • BW -1.0 • WW +49 • Milk +32 • YW 1+.98 • %IMF 1+.20 • RE 1+.45  
FAT 1+.026 • \$W +30.32 • \$F +39.32 • \$G +15.39 • \$B +42.73

In Focus 5627 is one of the exciting young sires ever produced in the Circle A program. In Focus 5627 is a calving-ease and high growth sire and blends the proven low birth sires, In Focus and the Circle A Sire Alliance Winner, New Design 323-9150 with the former foundation Miss in the Circle A herd, Miss 4114. In Focus 5627 was one of the most talked about bulls of the recent Circle A bull sale and will see heavy service this summer in our program.

Recording the highest IMF EPD of any son of Blackbird 558H, this powerful individual saw heavy use at Riverbend Ranch in 2005 and has found a new home at BLC. One of the most valuable sires ever produced in the Riverbend program, he is from a dam who set a breed record when one-half interest sold for \$260,000 in the 2004 Riverbend sale, and who ranks among the top 1% of all Angus dams for IMF, REA, %RP and \$Beef based on 112 progeny scans. His first calves here are absolutely super — the best calves from any sire we're using!

# Where the Past Meets the Future

Nestled in beautiful Northeast Oklahoma where the Arkansas, Grand and Verdigris rivers meet, the land at Three Forks Ranch is rich with heritage since the days of early statehood.

Today we are combining this strong foundation with the most modern technology available to develop a superior

quality Angus breeding program combined with a sophisticated custom embryo transfer facility.

We invite you to come by the ranch any time to see a bit of history complemented by the technological advances to take us into the future.

# Rolling R3 Angus Genetics!

## *The Rolling R3 Ranch Program...*

We have never been satisfied with cattle that perform well in only one trait; instead we allow the principles of multi-trait superiority to direct our selection criteria and mating decisions. The ultimate goal of the R3 breeding program is to combine elite carcass quality and real world performance into an eye appealing "fun to look at" kind of package that performs well under a variety of conditions, and more importantly, is profitable in all industry segments. So, whether your program demands top carcass performance on the rail, show stopping looks on the hoof, or excellence at any point in between... *an investment in R3 genetics will maximize profits for you!*

# LUDDINGTON CATTLE

## ...Second Annual Production Sale

Sunday, September 2, 2007, at 1 P.M., Luddington Cattle will hold their Second Production Sale at the ranch in Freedom, Oklahoma. Selling will be 25 bred heifers, 25 spring pairs, 20 fall bred pairs, 10 weaned E.T. calves and 5 elite donors. Several of these females are from the same cow families that produced **LD REDIRECT 11** at *Select Sires*, **LD EXACTLY 1912** at ABS, and **LD TRAVELING HANK 411**.

### *G A R Expectation 822*

**LUDDINGTON CATTLE** of Oklahoma and Coleman Angus of Montana are allowing some lucky individual the opportunity to purchase one-half interest and no possession--or they can double down and own 100%--in what is considered by many to be the best daughter of *G A R Expectation* in the Angus breed and the best daughter to date out of the \$280,000 Express, Rollin RRR, Monarch, and Platinum Land & Cattle Company donor, *G A R 044 Traveler 2328*. *G A R Expectation 822* has two natural progeny turned in to AHIR<sup>SM</sup> that ratio 104 for RE and she has already amassed over \$60,000 in progeny sales with only three progeny being sold. She has been flushed four times with a 15 embryo average. Her donor dam is the only full sister to the extreme growth and muscle sire at *Select Sires*, "*G A R Grid Maker*," and has 16 progeny scanned by ultrasound that ratio 105 for RE. Her grandam, *G A R Precision 2536*, is the No. 1 \$Beef cow and the only \$5 million income cow in the Angus breed. Maternal sisters to *G A R Expectation 822* are the \$280,000 *VAR Blackcap 6056* owned by Express, Rollin RRR, Monarch, and Platinum Land & Cattle Company and the featured leadoff female in the 2007 Limestone LLC Sale, *Limestone Blackcap S309*. Don't miss this opportunity to purchase 822 or progeny out of her in the 2007 **LUDDINGTON CATTLE** Female Sale on Sunday, September 2, 2007, in Freedom, Oklahoma.

# COW HERD DISPERSAL

## & Annual Elite Angus Female Production Sale

*The Natural Calving Cow Herd Sells!*

**James, Doug and Jacob Bohi**

One of the largest offerings of high-quality Angus genetics in Kansas history will sell Saturday, September 1, at Bohi Land and Cattle Company including the entire Bohi natural calving cow herd and a large portion of the Bohi donor arsenal with select bred and open heifers and pregnancies. With plans to continue to produce quality in quantity, the Bohi Angus program has expanded to six ranches in three states, fortified with Bohi's largest group of replacement heifers yet and an embryo program backed by more than 50 donor cows and more than 500 pregnant recipient cows. To facilitate this rapid growth, the decision was made to disperse the productive young Bohi cow herd while sharing the best of the Bohi embryo program that produced the record first-time Angus sale in Kansas history in 2006. Plan now to attend this can't-miss event which highlights an exciting Midwest Angus sale circuit.

RITA 2811 OF 2536 BVND 878 – Her fantastic daughter by Rito 112 of 2536 Rito 616 is one of the greatest females born in 2007 and sells as Lot 1.

# A-Cross Ranch

*Quality cattle in  
Western Oklahoma  
for three generations*

A-Cross Ranch was started back in the early 1930s. Located between Elk City and Hammon, Oklahoma, we maintain a registered Angus herd using the most up-to-date A.I. sires as well as a large commercial herd consisting of Angus-influence, Hereford and black/white-face cows. We have incorporated top genetics from proven herds in a continuing effort to improve the quality of our cow herd.

# Try your wings.

An eaglet is not born with the ability to fly. It has the instinct, but not the know-how. Both parents swoop in and out of the aerie to provide food and protection while it grows the feathers it will need. But to master the fundamentals of flight, the youngster is completely on its own.

The fledgling grows in size, strength and confidence and begins experimenting in the nest. It learns to stretch its wings and let a gust of wind lift it off its feet for a moment, but it doesn't actually take flight the first time.

It's all trial and error. And some don't even survive their earliest attempts.

But they try...and they keep practicing and perfecting until soaring at 10,000 feet becomes natural and appears automatic.

With the support of your parents and many other people, you are developing the core values and life skills that will help you achieve your dreams. Though they can teach the fundamentals and may frequently tell "how they did it," you will have to put your life into practice. You have to try, your way. And you will sharpen your abilities and

build your confidence with every attempt you make. It's true that you may not succeed at first, and certainly everything you do won't turn out perfectly every time. So you must be willing to try your wings with each new test. Giving it all you've got, again and again, will make you a "full-fledged" winner – here at the show and every day of your life.

**If at first you don't succeed,  
just keep flying  
and soon you will soar!**
