“And if all you ever really do is the best you can...”

*“Something To Be Proud Of”
written by Jeffrey Steele and Chris Wallin
recorded by Montgomery Gentry*

You learn pretty fast at these things that not everybody is going to win, even some who deserve it most.

But what often escapes all of us in 100 degree heat, under the stress of a jam-packed schedule and the pressures presented by the unexpected, is that there can be glory in the details of the everyday. That there's victory in accepting a challenge when you may not even have a chance. And that lasting achievement will find you when you learn to focus on the things you did right... when how you have improved matters more than how you placed.

If you can start the day and end it believing, rather than worrying or just wishing for what you want.
If you can show up and do your part without squabbling or whining or skipping out before the job is done.
If you can forget yourself for just a moment and realize that everyone has a right to their ideas and their space.
If you can put the best of you – tired body, jumbled mind and spent spirit – into every task that comes your way.
If you can set aside past experiences and “old business” and open your mind to the flip side of the pancake.
If you can be cheerful in the face of disappointment, hopeful for your next attempt and thankful for both.

If you can accept another's differences with a smile because you know you can be pretty weird yourself.
If you can find a way to say good luck, or congratulations, to a longtime rival...and truly mean it.
If you can slow down to help a stranger without being asked, or needing to be thanked.
If you can spare feelings by keeping what you think, or what you've heard, to yourself.
If you can learn one new thing, give one more try, and invite one extra person to be part of your group.
If you can walk out with your head held high, satisfied that you've done what you've said you'd do.

If you can grow up just a little, no matter your age,
because of this day and how you have lived it...

That's the *Triumph*
and it's something
to be proud of.

The extraordinary triumphs of 100 NJAA members at the show will be recognized by “Angus Star” awards with our best wishes for many more successes in life!

July 1-7, 2007
Expo Square • Tulsa, Oklahoma

Dear Angus Enthusiasts,

The states of Arkansas and Oklahoma want to welcome you to the Great State of Oklahoma and the A-OK 2007 NJAS - The American Dream. The National Junior Angus Show is a time where many young Angus breeders will see their dreams fulfilled -either in the show ring or through one of the many other exciting activities offered. Other junior members will start forming their own dreams for the future. We are very excited that you are spending your Fourth of July holiday with us in Tulsa. We have worked hard to plan an event that will be a highlight of your year. We hope it builds memories that will last for years to come.

We are not only honored to host this event, but we are also celebrating our Centennial Year in Oklahoma. There are many opportunities in the Tulsa area to see some of our history and heritage and we hope you will have time to take advantage of some of the great attractions that are right next door.

We have had a great time combining the talents of Angus supporters from both Arkansas and Oklahoma to pull this event together. We have enjoyed enormous support from Angus breeders of all sizes to host an event that we hope you will enjoy. Oklahoma and Arkansas Angus breeders are ready to help you make some dreams come true!

VISION

CAMPAIGN FOR ANGUS

HONORARY ANGUS FOUNDATION

2007 National Junior Angus Show – Tulsa, Oklahoma
HONORED FOR A LIFETIME OF DEDICATION TO ANGUS

Henry and Nan Gardiner – Honorary Angus Foundation

Henry and Nan Gardiner, Ashland, Kan., have a lifelong commitment to the Angus breed and continue to contribute to the National Junior Angus Association's (NJAA) success. From serving as role models to young NJAA members to being early adopters of new technologies, the Gardiners have shown their belief in the Angus breed.

"Their work ethic, integrity and strong family structure serve as goals for all of us—young or old—to strive toward," said Matt Perrier, Dalebanks Angus, Eureka, Kan.

For their dedication, Henry and Nan will be inducted into the Honorary Angus Foundation at the National Junior Angus Show (NJAS), July 1-7 in Tulsa, Okla.

Each year the NJAA selects outstanding individuals to join the Honorary Angus Foundation. Inductees are those who have shown significant dedication and support to the juniors.

The Gardiners have always been supportive of youth in agriculture, according to Perrier. They have donated their time and treasures, and serve as

role models to many NJAA members, including several of their grandchildren who are active in showing cattle and participating in NJAS contests, Perrier said.

"They have been relentless in their financial support of the NJAA and the Angus Foundation over the years," remarked Zebadiah Gray, NJAA membership director.

In addition to their generosity, the Gardiners were among the first to recognize the value of tools provided by the American Angus AssociationSM such as artificial insemination and embryo transfer and put them to extensive use in their large scale operation. Recognizing the value of genetics and passing on information to others is equally as important to the Gardiners.

"Henry is a great teacher. He is always willing to share his knowledge about the industry freely," said Don Laughlin, American Angus Association regional manager.

Serving on the American Angus Association Breed Improvement Committee and Board of Directors, Henry contributed to numerous research projects to evaluate performance and increase the production of exceptional Angus seedstock.

A list of accomplishments including Beef Improvement Federation Commercial Producer of the Year and Seed Stock Producer of the Year, Certified Angus Beef LLC Commitment to Excellence Award, the National Cattlemen's Foundation Beef Industry Vision Award, and Kansas Cowboy Hall of Fame inductee is proof of the Gardiners' dedication to the breed.

The Gardiners have been involved with the Angus breed for more than 50 years. Their leadership and support continues to impact the NJAA as well as the beef industry.

Julie McMahon French – Honorary Angus Foundation

Julie McMahon French, Beaverton, Mich., possesses a passionate spirit of outreach and dedication that enables those involved in the Angus industry to attain success at all levels.

For her dedication and invaluable service, Julie will be recognized by the National Junior Angus Association (NJAA) as an Honorary Angus Foundation honoree at the National Junior Angus Show (NJAS), July 1-7 in Tulsa, Okla.

Julie's loyalty to the Angus family is particularly evident in her commitment to provide new approaches to youth educational opportunities—a commitment she has maintained since serving on the NJAA's first board of directors from 1980-82, notes American Angus Association Director of Junior Activities James Fisher. "Julie serves as a catalyst for youth programs. She possesses a wealth of ideas and a selfless ability to empower others to transition those ideas into numerous successful projects that help youth become more involved," Fisher says. As Executive Vice President John Crouch notes, Julie's method for creating opportunities is filled with an abundance of creativity and energy. "Julie possesses an innovative, out of the box, thought process. Her concepts are representative of a new generation and they provide a refreshing approach toward dealing with an ever-changing, very dynamic industry."

Julie's innovation has been the driving factor behind several new fundraising endeavors that she has helped to enthusiastically lead. These endeavors include "That Old Black Magic" and "The Magic of the Vine" the first two galas and auctions for the Angus Foundation. The galas and auctions generate funds that, in turn, create educational initiatives such as Cattlemen's Boot Camp, scholarships for Angus youth and many other opportunities for Angus producers.

Julie's philanthropy is evident beyond fundraising initiatives. As an example, Julie's most recent project, a NJAS newspaper, provides another opportunity for youth to develop and enhance their skills. The youth-run newspaper features articles, photography and other creative elements contributed by junior members; it debuts at this year's NJAS.

In all of these projects, Julie's passion for Angus is evident. This passion is rooted in what Wynn Dalton Herbers, Gretna, Va., describes as Julie's strong, innate sense for family values. Wynn, who was a 15-year-old junior member at the Atlantic National, Timonium, Md., when she first met Julie, has had the opportunity to serve as a co-chair with Julie on both of the Angus Foundation's galas and auctions. Wynn is appreciative of Julie's support for Angus youth noting that Julie's guidance serves as a great inspiration. "I can't imagine my life being as fulfilling without Julie. Her mentorship has given me the opportunity to strengthen my skills and her friendship has provided increased confidence. Julie has made me a stronger person." Wynn adds that she has not been the only member of the Angus family to benefit from Julie's altruism. "Julie works just as hard for junior members as she does for her own family and if she can help a junior member, she will."

The Angus industry is extremely lucky to have Julie's insight and support. As Crouch notes, "Julie is a highly energetic, very enthusiastic supporter of youth programs and youth activities. She has a tremendous passion for building the Angus Foundation into a viable organization that supports youth activities, education and research."

Julie has been able to selflessly share her talents to create successful projects that provide opportunities for members of the Angus industry. As many would agree, Julie's dedication serves as an invaluable asset to the breed and Angus youth in particular. Because of Julie's creative leadership and energy, the Angus breed is sure to remain strong for years to come.

Bob Norton – Honorary Angus Foundation

A genuine interest in securing developmental opportunities for breeders, along with extensive financial support and a commitment to the success of the Angus industry, has made Bob Norton, Saint Joseph, Mo., a strong partner of the Angus breed.

In appreciation of Bob's partnership and dedication, he will be recognized by the National Junior Angus Association (NJAA) as an Honorary Angus Foundation honoree at the National Junior Angus Show (NJAS), July 1-7 in Tulsa, Okla.

Bob's commitment to the success of Angus is exhibited in many ways. He has held several leadership positions in both the meat packing and animal nutrition segments of the industry, including his role as a current member and past chairman of the Certified Angus Beef (CAB) LLC board. Bob, who began his career in the meat industry in 1975 with Dugdale Packing Co., Saint Joseph, Mo., has served as chief operating officer of Dubuque Packing Co., and he is the past president and chief executive officer of CAB-licensed, BeefAmerica Inc. Currently, he serves as president of Biozyme Inc., Saint Joseph, Mo. His leadership there has led to a partnership between Biozyme Inc. and the Angus Foundation, where a portion of Biozyme's VitaFerm sales made to Angus breeders will be reinvested toward the breed as Angus Foundation donations.

Bob uses his success in these segments of the industry to unselfishly pursue philanthropic efforts that create opportunities for all who are involved with Angus. "Bob has been a pioneer in the field of giving to the Angus Foundation and the NJAA. Both his actions and his attitude have been great examples for others to follow," says NJAA membership director Zebadiah Gray, Toledo, Iowa. Bob's willingness to give back is rooted in his acknowledgment of the importance of relationships, a genuine commitment to sustaining the industry and a strong belief in using his resources to assist others.

Angus Foundation President Milford Jenkins thankfully acknowledges these aspects of Bob's contributions as a great benefit to the Angus Foundation. "Both Bob and his wife Lisa embody the spirit of philanthropy that allows the Angus Foundation to advance its goals of education, youth and research," Jenkins says, adding that although Bob did not grow up in the Angus family, his selfless contribution of "time, treasure and talents" has certainly made him an invaluable member of this family.

As further example of Bob's volunteer service and passion for the breed, Jenkins cites Bob's involvement as a member of the Foundation's Leadership Cabinet, which oversees Vision of Value: Campaign for Angus. "We are grateful for Bob's leadership to this ambitious \$11 million fundraising campaign," Jenkins says.

While Bob's philanthropy results in significant contributions that support breeders and the initiatives of the Angus Foundation, his support of youth is particularly important, as he continually makes it a point to contribute to youth beyond financial means, notes Director of Junior Activities James Fisher. "Bob has a strong desire to see junior Angus members succeed. He possesses a genuine interest in supporting youth, which is evidenced by his presence at junior programs and events," Fisher says. Gray agrees, adding that "Bob realizes the importance of youth and providing the essential resources for them to develop into good citizens. He has been extremely generous in trying to provide those resources to the youth of the Angus family."

In all, Angus producers are fortunate for Bob's dedicated partnership and support. As American Angus Association Executive Vice President John Crouch remarks, "Bob Norton's roots are deeply entrenched in the cattle industry. He is an extremely knowledgeable individual. His charismatic leadership skills and innovative ideas have paved the way for the implementation of many new ideas and positive changes not only for the Angus industry but for the entire beef industry as well."

Advisor of the Year

2007 National Junior Angus Show
Tulsa, Oklahoma

Anne Lampe

2007 Advisor of the Year

The Kansas Junior Angus Association (KJAA) has earned numerous achievements and experienced much growth, thanks in part to the guidance of Anne Lampe, Scott City, Kan. Anne has helped the association in every capacity during her 14 years of involvement with the Kansas juniors, and has been with them to celebrate all ten of their NJAS sweepstakes awards.

For her dedication and leadership to the KJAA, Anne Lampe will be recognized as the 2007 National Junior Angus Association (NJAA) advisor of the year at the National Junior Angus Show (NJAS), July 1-7 in Tulsa, Okla.

Although KJAA bylaws allow a person to serve only one three-year term as an official advisor, this has not stopped Anne from being a mentor and supporter to Kansas juniors long after the conclusion of her term.

“Ever since I began showing Angus cattle, Anne has always been the one to be there, making sure everything is running smoothly whether she’s getting show sponsors or helping kids get to the show ring,” said Courtenay DeHoff, KJAA secretary.

One of Anne’s greatest passions is the Auxiliary sponsored *Certified Angus Beef*[®] Cook-off at the NJAS. Through her encouragement and enthusiasm, the “Kansas Cook Off fever” has spread throughout the KJAA, with approximately 30 members participating on about five teams each year. On the national level, she is in her third year as co-chairman of the contest and served on the committee for six years prior.

Anne also serves as chairman of the Miss Kansas Angus and Ambassador program, ensuring that each girl has a positive learning experience and advising them throughout the year.

Instrumental in finding new ways to recognize and encourage involvement in the KJAA, Anne can be credited with developing the Kansas Junior Angus Challenge leadership and Premier Exhibitor awards as well as fundraising opportunities for the juniors.

“Kansas has been very successful at nationals over the years and we couldn’t have done it without Anne,” DeHoff said. “She has made a huge impact on KJAA juniors, treating each as if they were her own children.”

Following in the footsteps of her parents, who were honored as Advisors of the Year in 1982, Anne exemplifies what it is to be truly devoted to the youth of the organization.

Come celebrate the 4th of July and feast on BBQ Brisket and all the fixings.

The meal is being prepared by the world famous Glen Grote and you won't want to miss it. The line starts forming at 5:00 p.m.

Donations are being accepted with the proceeds going to benefit the Pat Grote Lead Scholarships. Pat was dedicated to all the youth of the National Junior Angus Association. She supported all of the activities and encouraged numerous juniors to get involved.

The Pat Grote Fund will pay the registration fee for the Leaders Engaged in Angus Development (LEAD) Conference to the overall winners in the intermediate division of the fresh meat category of the Auxiliary sponsored All-American Certified Angus Beef Cook-Off.

This meal will also kick off the raffle of the infamous Grote Cooking Trailer that has served so many of us at previous National Junior Angus Shows. The American Angus Auxiliary is raffling off the trailer with the winner announced at the American Angus Association Annual Meeting in Louisville, KY in November 2007. All proceeds benefit the Pat Grote Lead Scholarships.

2007 National Junior Angus Show
Tulsa, OK

andis.

The American Angus Auxiliary has been an active part of the sponsorship of the National Junior Angus Showmanship Contest for many years. Each year the American Angus Auxiliary presents the top five placing showmen with a Silver Revere bowl.

Dean Hurlbut Award

Dean Hurlbut

The National Junior Angus Showmanship Contest was organized by Dean Hurlbut in 1967 to encourage young men and women to become interested in showing Angus cattle. Hurlbut coordinated the contest from its start until his retirement in July 2000 from the American Angus Association.

In honor of his dedication to this excellent competition, the top award in the contest is named the Dean Hurlbut Award.

Ham James Memorial

Ham James

The Hamilton James Memorial Fund awards cash to the top five showmen. Many young people have benefited from this fund and many more will be rewarded in the years to come. We wish to express our appreciation to the James Family for this perpetual memorial to Hamilton James and his lifetime interest in the junior programs of the American Angus Association.

NATIONAL JUNIOR ANGUS SHOWMANSHIP CONTEST

July 6-7, 2007

Tulsa, OK

In order to emphasize the widespread interest in Angus cattle among young men and women from farming communities throughout the United States, the 41st National Junior Angus Showmanship Contest is being held in conjunction with the National Junior Angus Show.

The contest is under the supervision of the Junior Activities Department of the American Angus Association and will be held in two parts. On Friday, July 6 at 1:30 p.m., the contestants will show animals in the preliminary competition. The finals will be held Saturday, July 7 at 8 a.m.

Prizes awarded by the Angus Foundation and funded in part by the Hamilton James Memorial Fund will be as follows: First, \$350; second, \$250; third, \$175; fourth, \$125; fifth, \$100. The American Angus Association will award \$75 to sixth through the remaining places. The American Angus Auxiliary presents silver Revere bowls to the top five placing showmen. The 15 finalists will receive a set of Andis® clippers donated by Andis®.

The young people competing have been selected in their state contests conducted by their state Angus associations. Contestants' birth dates must be from January 1, 1986 through December 31, 1992. The heifers have been drawn by lot from exhibitors in the National Junior Angus Show.

The showmanship event will be judged by a panel of outstanding showmen. They will consider the following in making their placings:

1. Skill, handling and response of the animal
2. Ability to follow instructions during the contest
3. Use of equipment by the contestant
4. Evidence of courtesy and sportsmanship of the contestant
5. General appearance of the contestant

BLACK KETTLE AWARD

Presented in memory of Paul St. Blanc to the highest placing team among all age groups.

The Black Kettle Award

The Black Kettle Award is given in memory of Paul B. St. Blanc. Following the death of Mr. St. Blanc his family looked for a way to honor his memory and looked no further than the National Junior Angus Show and the Certified Angus Beef (registered trademark) Cook-Off Contest. Mr. St. Blanc had a great passion for cooking and combined that passion with his love of family, Angus cattle and youth. He participated in the first Cook-Off Contest held at the NJAS and was a frequent contestant in subsequent years. Each year he could be found behind the scenes helping teams to light grills and prepare entries. Many of his "Angus friends" enjoyed delicious meals cooked in his black pot, or "kettle," in the tie outs or near the show box at Angus shows throughout the country. He always seemed to find "one more serving" in that pot for a new friend.

Paul St. Blanc became a member of the American Angus Association in 1953 and along with his grandfather, father and brothers started Bar S Angus in Charenton, Louisiana. He passed his interest in Angus cattle onto his children and countless other youth as an Angus breeder, vocational agriculture teacher and Louisiana Junior Angus Association Advisor. In 1974, he took his children and junior Angus members from Louisiana to the National Junior Angus Heifer Show in Dallas, Texas, starting a tradition that did not end until his untimely death in 1999. Paul and his wife Vicki were named NJAA Advisors of the Year in 1982 and later inducted into the Honorary Angus Foundation. Today his children and grandchildren carry on his love of Angus cattle and the National Junior Angus Show.

The Black Kettle Award was established in 1999 and first presented during the 2000 National Junior Angus Show in Des Moines, Iowa. It is annually awarded to the highest scoring team among all categories and age divisions in the American Angus Auxiliary sponsored Certified Angus Beef® Cook-Off Contest.

Each member of the 1st place team in the senior division of the Team Sales contest will be presented with a limited print of a specially commissioned artwork done in memory of Robert "Bob" Laflin. This art work commemorates Bob's enthusiasm for sales and depicts an Angus breeder looking at show heifer prospects in the field with two young Angus breeders as he helps them select that next great one.

Bob was a consummate salesman and marketer. He sold Angus cattle throughout the United States and believed that to be successful as an Angus breeder you had to be willing to sell some of your best ones. Bob believed in family and in investing in youth. He encouraged his children and grandchildren to be involved in the junior Angus programs and was always willing to help other youth who were interested in Angus cattle. Bob encouraged his grandchildren to participate in the Team Sales contest and was always at the National Junior Angus Show to cheer them on in the competition.

It is in his memory and honor that the Laflin family through the Angus Foundation present these special awards.

Pat Grote was a woman dedicated to the members of the Texas Junior Angus Association and National Junior Angus Association (NJAA). She encouraged not only her own children, but all juniors to get involved in the NJAA and even gave them rides to the National Junior Angus Show.

"Pat had a charmisa that pulled you into work, laugh and support the juniors!" said Nancy Sullivan, friend and American Angus Auxiliary past president.

She believed in all the kids and the benefits the NJAA provided for them.

"One thing she believed in was educating the kids about beef," said her husband Glen. "She also liked to give kids a pat on the back for a job well done."

The Pat Grote Fund will pay the registration fee for the Leaders Engaged in Angus Development (LEAD) Conference to the overall winners in the intermediate division of the fresh meat category of the Auxiliary sponsored All-American Certified Angus Beef® Cook-Off.

Pat was president of the American Angus Auxiliary at her time of passing. In Pat's honor the American Angus Auxiliary will present the Grote Memorial Award to the first place intermediate extemporaneous public speakers. The award will be given annually at the NJAS.

Pat Grote

Dick Spader

The Richard L. Spader award is given by the American Angus Auxiliary to the winner of the senior division in the extemporaneous public speaking contest. This award recognizes Dick's unending support for the life skills contests offered through the National Junior Angus Association. Dick was especially supportive of the speech competitions and encouraged junior members, including his sons, to participate in these contests. It is in his memory and in recognition of his support of these programs that the Auxiliary presents this award. In addition to this award the Angus Foundation presents the top two scholarships in memory of Richard L. Spader.

JANET CASTLE CRYSTAL AWARD

The Janet Castle Crystal Award is in memory of Janet Castle, and is made possible by a generous donation from her family to the American Angus Auxiliary. Janet was one of the founders of the scholarship fund. She served as president of the Auxiliary in 1962. Janet's vision and dedication helped many junior Angus members, and it is appropriate that the Auxiliary sponsor this award in her honor. This award is based on placings in the NJAA contests. It is given to the overall high-point girl and the high-point boy.

2007 National Junior Angus Show Donors and Sponsors

The A-OK 2007 NJAS Committee is very proud to present this list of donors for this year's national show. These donors made cash donations, purchased sponsor pins, donated items to be auctioned, or purchased special lots dedicated to the A-OK NJAS. We are in awe of the number of supporters for this national show and appreciate the contribution of every donor. It is no wonder this is the largest single breed cattle show in the United States with such outstanding support. Thanks to all who helped "The American Dream" come true.

We have sincerely tried to acknowledge every single donor. If there is an omission, please know that it was unintentional and we are very grateful for the number of donors and the tremendous support we have received.

Our Embryo Lottery was a new fundraiser for the National Junior Angus Show. We would like to thank Julie McMahon French for her time and talent in helping us put this fundraiser together. We would especially like to thank the ranches that donated such special embryos. Their generous donations made this lottery successful.

A special thanks to:

One of the most valuable sires ever produced in the Riverbend program, he is from a dam who set a breed record when one-half interest sold for \$260,000 in the 2004 Riverbend sale, and who ranks among the top 1% of all Angus dams for IMF, REA, %RP and \$Beef based on 112 progeny scans. His first calves here are absolutely super — the best calves from any sire we're using!

When a resolute young person steps up to the great bully, the world, and takes him boldly by the beard, he is often surprised to find it comes off in his hand, and that it was only tied on to scare away the timid adventurers.

—Ralph Waldo Emerson

We hope all National Junior participants choose to embrace the adventures of learning and competing. The opportunities created as a result of hard work, honesty and integrity will be invaluable throughout life.

Carcass Quality + Performance + Phenotypic Excellence =

Rolling R3 Angus Genetics!

The Rolling R3 Ranch Program...

We have never been satisfied with cattle that perform well in only one trait; instead we allow the principles of multi-trait superiority to direct our selection criteria and mating decisions. The ultimate goal of the R3 breeding program is to combine elite carcass quality and real world performance into an eye appealing "fun to look at" kind of package that performs well under a variety of conditions, and more importantly, is profitable in all industry segments. So, whether your program demands top carcass performance on the rail, show stopping looks on the hoof, or excellence at any point in between... *an investment in R3 genetics will maximize profits for you!*

LUDDINGTON CATTLE

...Second Annual Production Sale

Sunday, September 2, 2007, at 1 P.M., Luddington Cattle will hold their Second Production Sale at the ranch in Freedom, Oklahoma. Selling will be 25 bred heifers, 25 spring pairs, 20 fall bred pairs, 10 weaned E.T. calves and 5 elite donors. Several of these females are from the same cow families that produced **LD REDIRECT 11** at *Select Sires*, **LD EXACTLY 1912** at ABS, and **LD TRAVELING HANK 411**.

G A R Expectation 822

LUDDINGTON CATTLE of Oklahoma and Coleman Angus of Montana are allowing some lucky individual the opportunity to purchase one-half interest and no possession--or they can double down and own 100%--in what is considered by many to be the best daughter of *G A R Expectation* in the Angus breed and the best daughter to date out of the \$280,000 Express, Rollin RRR, Monarch, and Platinum Land & Cattle Company donor, *G A R 044 Traveler 2328*. *G A R Expectation 822* has two natural progeny turned in to AHIRSM that ratio 104 for RE and she has already amassed over \$60,000 in progeny sales with only three progeny being sold. She has been flushed four times with a 15 embryo average. Her donor dam is the only full sister to the extreme growth and muscle sire at *Select Sires*, "*G A R Grid Maker*," and has 16 progeny scanned by ultrasound that ratio 105 for RE. Her grandam, *G A R Precision 2536*, is the No. 1 \$Beef cow and the only \$5 million income cow in the Angus breed. Maternal sisters to *G A R Expectation 822* are the \$280,000 *VAR Blackcap 6056* owned by Express, Rollin RRR, Monarch, and Platinum Land & Cattle Company and the featured leadoff female in the 2007 Limestone LLC Sale, *Limestone Blackcap S309*. Don't miss this opportunity to purchase 822 or progeny out of her in the 2007 **LUDDINGTON CATTLE** Female Sale on Sunday, September 2, 2007, in Freedom, Oklahoma.

COW HERD DISPERSAL

One of the largest offerings of high-quality Angus genetics in Kansas history will sell Saturday, September 1, at Bohi Land and Cattle Company including the entire Bohi natural calving cow herd and a large portion of the Bohi donor arsenal with select bred and open heifers and pregnancies. With plans to continue to produce quality in quantity, the Bohi Angus program has expanded to six ranches in three states, fortified with Bohi's largest group of replacement heifers yet and an embryo program backed by more than 50 donor cows and more than 500 pregnant recipient cows. To facilitate this rapid growth, the decision was made to disperse the productive young Bohi cow herd while sharing the best of the Bohi embryo program that produced the record first-time Angus sale in Kansas history in 2006. Plan now to attend this can't-miss event which highlights an exciting Midwest Angus sale circuit.
