Blue Q Ranch is donating the proceeds from Petunia 8008 the powerful bred heifer combining the breed's number two \$B proven sire, Objective with a dam who blends Right Time 24J and New Design 036 to support the efforts of the Georgia Junior Angus Association in hosting the 2009 National Junior Angus Show.

Petunia 8008 comes from the heart of the Blue Q replacement females and is a tremendous balanced-trait female who ranks in the top 10% of non-parent females for WW, YW, \$F, \$G and \$B and the top 15% for RE and \$W. Petunia 8008 records a birth ratio of 99, a weaning ratio of 105 and a yearling ratio of 104 while posting an ultrasound REA ratio of 109.

This outstanding combination female will sell as a highlight of the Inaugural Blue Q Ranch Production Sale, Sunday, May 17!
