Show Program Advertiser Contract

Dear Show Program Advertiser:

What better way to reach a market of progressive seedstock producers and agricultural enthusiasts than to advertise in the 2009 National Junior Angus Show (NJAS) program? This program is seen by every spectator at the NJAS and becomes a lasting piece of literature for most Angus families.

We are offering full page ads in either color or black and white, and half page black and white ads. The Angus Journal will be designing the show program and will work with all advertisers on their advertisements.

Premium pages will be offered during the 2009 National Western Stock Show Angus Reception in January. If you are interested in purchasing a premium page, please feel free to contact either one of us for details.

We will be glad to help you in any way with your advertising needs for the 2009 NJAS. Please complete the following form and return to the NJAS office by April 1, 2009. If you have any questions about advertising in the show program, please do not hesitate to contact us at: David Gazda - dgazda@angus.org or 706/296-7846, or Jeremy Haag - angushall2@earthlink.net or 816/516-1309.

Sincerely,

David Gazda and Jeremy Haag
