

Dear Show Program Advertiser,

What better way to reach a market of progressive seedstock producers and agricultural enthusiasts than to advertise in the National Junior Angus Show (NJAS) program? This program is seen by every spectator at the NJAS and becomes a lasting piece of literature for most Angus families. The show program will feature all show information including entry information, exhibitors, show details and event times, honorees, and advertisements from breeders, agricultural groups, and businesses.

We are offering full page ads in either color or black and white, half page and quarter page black and white ads. The Angus Journal will be designing the show program and will work with all advertisers on their advertisements.

The Angus Journal will be producing the program and will be working with you directly regarding your ad. Please send your payment and signed contract to me by May 1, 2010, at the address below. Upon receipt of payment for the ad, I will give your name, address and phone number to the Angus Journal. You will then be contacted directly by the Angus Journal.

If contracts and payment is received after May 1, I will not be able to guarantee an ad.

Sincerely,
Brian Stoller
