WELCOME

2018 National Junior Angus Show
Madison, Wisconsin

Dear Angus Enthusiasts,

Welcome to Madison, Wisconsin, for the 2018 National Junior Angus Show! Wisconsin and Illinois are honored to host "Livin' the Dream in 2018," on July 7-13. We are grateful for all the time and dedication the volunteers from the Wisconsin Junior Angus Association, Illinois Junior Angus Association, and the executive committee have devoted to ensure the 50th NJAS will be one to remember!

This is the fourth time Wisconsin has hosted the National Junior Angus Show and the third time Illinois has hosted, and we are so excited to have you back! There are countless opportunities for juniors this week from the tailgate on Sunday night to socializing with other juniors at the end of the week on the green shavings during the awards program. There will be educational clinics throughout the week, contests, socials, and so much more! We encourage you to take full advantage of what this week has to offer!

This year our community service project supports the Community Action Coalition for South Central Wisconsin, Inc. This is an organization that strives to support and empower low income families by providing food, housing, and clothing. We have asked juniors to bring jeans as a donation to the 9,000 individuals and families they serve in the community.

Take time during your week to see Madison and rural Wisconsin. All companies, embryo labs, and Angus farms are a short drive from the Alliant Energy Center. The beautiful Wisconsin State Capitol is open for visitors all day, every day. Outlet shopping, boutiques, and malls carry a variety of stores. And don't forget to enjoy the food. We are home to internationally recognized brands of cheese, milk, ice cream, custard, cranberries, brats, sausage, and much more! Many area restaurants feature local products.

This event would not be possible without the efforts of the Wisconsin and Illinois Adult and Junior Associations. The committee chairs, executive committee, sponsors, and association staff have dedicated time and money to making NJAS 2018 possible, so be sure to thank them this week!

Good luck to all exhibitors this week!

ADVISORS OF THE YEAR

2018 National Junior Angus Show

Madison, Wisconsin

NJAA Recognizes Aaron and Sue Schafer

Aaron and Sue Schafer

Passionate. Selfless. Accountable. Three of many attributes the 2018 Advisors of the Year possess. Aaron and Sue Schafer are Angus advisors and have kids of their own who've grown up in junior Angus programs. The Schafers created and shared many opportunities for the youth of Illinois during the countless hours they spent making sure junior activities were successful.

Under the guidance and direction of the Schafers, Illinois juniors grew and developed through the many junior programs and activities. With Sue's education background, the couple focus on encouraging junior members to become better communicators, more confident presenters and more engaged youth. They are truly passionate about the kids in the Illinois Junior Angus Association and have encouraged them to become better leaders in the agriculture industry.

"We are fortunate in our breed association to have many adult leaders who unselfishly give out their time to benefit and guide our youth," said Jeff Dameron. "Sue and Aaron are a great example of this."

Good Luck to all NJAS exhibitors

WHAT IS PATIENCE?

In short, patience means waiting without complaint. In our society of instant gratification, people often want results NOW, but it doesn't really work that way. When you expect immediate results, you lose sight of the big picture and the opportunity to achieve even larger goals.

We all know it can be hard to have a good attitude all the time without getting upset, especially since showing livestock can be so frustrating at times. But that is when patience comes in handy. If you stick with the task, slow down, assess the big picture and focus on desired results, you're less likely to make mistakes and will learn more in the process.

When it comes to your livestock projects, what do you think looks better in the ring: a calf or lamb that's been clipped or sheared by someone who took the time to learn and practice or ones that have mistakes just because someone wanted to get it done? Consider these do's and don'ts of patience with your next livestock project.

SET REALISTIC EXPECTATIONS: Challenges and obstacles are a normal part of life, and waiting is an unavoidable part of the process. Winning the banner doesn't happen overnight, and working toward that goal takes time.

CHOOSE TO BE PATIENT: Sometimes it's really hard to wait for your first or next win, but when you do, you will be far more successful in the end because you have learned even more in the process.

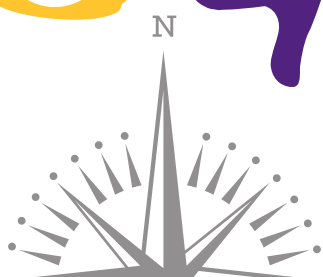

PRACTICE, PRACTICE, PRACTICE: Being patient can be uncomfortable at times because you have to repeatedly make conscious decisions to slow down. It will take time to learn the new behavior pattern, but as you practice, you'll find yourself more satisfied and less stressed.

DON'T SET LOW STANDARDS: If you're not committed to excellence, how can you achieve it? When you have low standards, you have little desire to work toward success. So, set realistic goals to put yourself on the steady path to the banner.

DON'T PLAN POORLY: When you are ill-prepared for a show, you leave no room for setbacks that might occur. This lack of preparation can make you very impatient and lead to hasty decisions that can lead you away from your goals.

DON'T STRESS OUT: When you are stressed, you are more apt to make quick decisions that only lead to more stress down the road. So, next time you're feeling uneasy, slow down, take a deep breath and even walk away for a few minutes if you have to. You'll be glad you did.

HONORARY ANGUS FOUNDATION

Inspiring Youth

2018 National Junior Angus Show

Madison, Wisconsin

Frank and Belinda VanderSloot – Riverbend Ranch

Frank and Belinda VanderSloot, long-time supporters of the Angus Foundation, donated the featured 2017 Angus Foundation heifer, Riverbend Rita R125, which sold for \$135,000.

The VanderSloots are Lifetime Giving Angus Builder donors and their generous, philanthropic gifts to various Angus scholarships, special projects and fundraising events over the years is testament to their passion for the Angus breed and Angus youth.

“Frank and Belinda, through their charitable giving to the Angus Foundation, have helped make a positive impact on the lives of countless Angus youth and producers, registered and commercial, across the country who’ve benefitted from our organization’s programs,” said Milford Jenkins, Angus Foundation president.

Riverbend Ranch of Idaho Falls, Idaho, is a leading source for registered Angus seedstock genetics across the nation. The ranch has operations in six different states, including Idaho, California, Utah, Montana, Texas and Wyoming and ranks in the nation’s top 20 purebred and commercial cattle programs. Riverbend Ranch was also recognized by Certified Angus Beef LLC in 2016, earning the Commitment to Excellence Award.

The National Junior Angus Association recognizes Frank and Belinda VanderSloot on their long-time support of the Angus Foundation’s mission of youth, education and research.

Terry and Sarah Cotton

Terry and Sarah Cotton are both familiar faces in the Angus business. Since Terry’s career began in 1979, He has spent countless hours and miles on the road promoting the Angus breed and even took bids for the 1st Angus Foundation Heifer Package selling at the National Western Stock Show in 1980.

In addition, Terry has helped raise hundreds of thousands of dollars at Angus Foundation events hosted by Summitcrest Farms, Vintage Angus Ranch, Express Ranches, Spruce Mountain Ranch, Decades of Excellence’s Angus Finals Las Vegas Sale, and the Angus Foundation Supporter Recognition Event.

“Terry’s famous style and flare for working the ring and taking bids is fun to watch,” said Milford Jenkins, Angus Foundation president. “He has an uncanny ability to read an audience, knows just how to encourage bidders and has finely honed his skill. Terry’s unequaled enthusiasm for his trade and profession is contagious. He’s truly one-of-a-kind!”

The National Junior Angus Association recognizes Terry and Sarah Cotton for their passion and dedication to the Angus breed over the last 38 years.

Gary and Sharon Dameron – Dameron Angus Farms

Gary and Sharon Dameron of Dameron Angus Farms, Lexington, Illinois, are long-time Angus breeders and supporters of Angus youth. For the past four decades, the Angus industry has been an important part of the Dameron Family. Gary also served on the American Angus Association Board of Directors and was Board President in 1989.

The Dameron program has grown to 200 registered Angus cows, focusing on raising Angus genetics that can successfully compete at national, regional, and local shows including the American Angus Association’s Roll-of-Victory program. Dameron Angus Farms has produced three national champion bulls, 16 grand or reserve champions at the National Junior Angus Show, more than 28 grand or reserve champions at the Illinois State Fair, as well as numerous other winners across the country.

The Damerons have contributed to the Angus Foundation in many ways. Their gifts of confirmed heifer pregnancies, purchases of silent auction items and other gifts have made a difference in the lives of Angus youth and helped advance the Angus breed.

“Gary and Sharon’s dedication to the Angus breed, commitment to providing opportunities for Angus youth through their family’s support, financially and otherwise, to the National Junior Angus Show each year, and their life-long involvement in raising outstanding Angus cattle epitomize this award,” said Milford Jenkins, Angus Foundation president.

The National Junior Angus Association is proud to recognize Gary and Sharon Dameron for their commitment to Angus youth.

BRIARWOOD ANGUS FARM/CURTIS AND ANN LONG ENDOWMENT FUND

With a long-standing commitment to the Angus breed, Dr. Curtis and Ann Long of Briarwood Angus Farms of Butler, Mo., generously funded a permanent endowment in the Angus Foundation. The Longs have always placed significance on the value of pertinent carcass information within their own herd, so it is only appropriate that their endowment will permanently support the NJAA Carcass Steer Contest awards at the NJAS. The 2008 Carcass Steer Contest awards at the NJAS in Des Moines, Iowa, was the first year the Longs' gift was used to provide cash awards to the top 10 entries as well as other premiums to all other qualifying entries. All carcasses that met CAB standards received an additional 25 percent in premiums. It is the Longs' hope that by providing this permanent endowment, Angus youth will develop an understanding of the additional economic benefits from producing outstanding beef carcasses.

ROBERT AND MARILLYN SCHLUTZ ANGUS SCHOLARSHIP ENDOWMENT FUND

In 1948, Robert (Bob) Schlutz bought his first registered Angus heifer as a 4-H project. Not long after, in 1953, Bob and his parents, Dale and Esther, formed a partnership that soon become known as Da-Es-Ro (Dale, Esther and Robert). Over the past 50 years, the herd has emerged into the current 125-cow purebred operation that focuses on producing seedstock that excel in economically important traits. The Schlutz family has pledged to continue the family tradition of producing cattle that meet the demands of their customers. Bob is a former American Angus Association Board director, Angus Foundation Board chairman and ex-officio of the Vision of Value: Campaign for Angus Leadership Cabinet. The Schlutzes not only focus on producing excellent cattle, they also held a place in their hearts for the members of the NJAA. Because of this, the Schlutzes donated \$25,000 in 2006 to establish the Robert and Marillyn Schlutz Angus Scholarship Endowment Fund to annually provide a \$1,000 scholarship to the exhibitor of the Champion Bred and Owned Heifer at the NJAS.

2019 ANGUS FOUNDATION HEIFER PACKAGE

Donated by:

The opportunities created by the Angus Foundation have a positive and lasting impact on Angus youth. We've witnessed this firsthand with our own children, Ty and Kami, during their time as junior Angus members. From organizing leadership activities, to the funding of scholarships, to their support of the National Junior Angus Show...the Foundation's efforts helped prepare Ty and Kami for their current roles in our family ranching operation. Now it's our turn to help. We're honored to stand with the Angus Foundation in a "win-win" relationship that, through this contribution, will help the Foundation give to future generations of Angus families, as it graciously gave to our family, years ago.

NATIONAL JUNIOR ANGUS SHOWMANSHIP CONTEST

July 9-13, 2018 – Madison, WI

In order to emphasize the widespread interest in Angus cattle among young men and women from farming communities throughout the United States, the 52nd National Junior Angus Showmanship Contest is being held in conjunction with the National Junior Angus Show.

The contest is under the supervision of the Events & Education Department of the American Angus Association and will be held in two parts. On Wednesday, July 11 at 1:30 p.m., the contestants will show animals in the preliminary competition. The finals will be held Friday, July 13 at 8 a.m.

Prizes awarded by the Angus Foundation and funded in part by the Hamilton James Memorial Fund will be as follows: First, \$350; second, \$250; third, \$175; fourth, \$125; and fifth, \$100. The American Angus Association will award \$75 to sixth through the remaining places. The American Angus Auxiliary has been an active part of the sponsorship of the National Junior Angus Showmanship Contest for many years. Each year the American Angus Auxiliary presents the top five placing showmen with a Silver Revere bowl.

The young people competing have been selected in their state contests conducted by their state Angus associations. Contestants' birth dates must be from January 1, 1997, through December 31, 2003.

The showmanship event will be judged by a panel of outstanding showmen. They will consider the following in making their placings:

1. Skill, handling and response of the animal
2. Ability to follow instructions during the contest
3. Use of equipment by the contestant
4. Evidence of courtesy and sportsmanship of the contestant
5. General appearance of the contestant

Dean Hurlbut Award

The National Junior Angus Showmanship Contest was organized by Dean Hurlbut in 1967 to encourage young men and women to become interested in showing Angus cattle. Hurlbut coordinated the contest from its start until his retirement in July 2000 from the American Angus Association.

In honor of his dedication to this excellent competition, the top award in the contest is named the Dean Hurlbut Award.

Ham James Memorial

The Hamilton James Memorial Endowment Fund was established by friends of Hamilton James to pay tribute to his years of dedication to the Angus industry. Beginning with the 1983 National Junior Angus Show, this fund carries Hamilton James' legacy through an annual scholarship award that is given to the winner of the showmanship contest at the NJAS.

BLACK KETTLE AWARD

The Black Kettle Award is given in memory of Paul B. St. Blanc. Following the death of Mr. St. Blanc his family looked for a way to honor his memory and looked no further than the National Junior Angus Show (NJAS) and the Certified Angus Beef® Cook-Off Contest. Mr. St. Blanc had a great passion for cooking and combined that passion with his love of family, Angus cattle and youth. He participated in the first Cook-Off Contest held at the NJAS and was a frequent contestant in subsequent years. Each year he could be found behind the scenes helping teams to light grills and prepare entries. Many of his "Angus friends" enjoyed delicious meals cooked in his black pot, or "kettle," in the tie outs or near the show box at Angus shows throughout the country. He always seemed to find "one more serving" in that pot for a new friend.

Paul St. Blanc became a member of the American Angus Association® in 1953 and along with his grandfather, father and brothers started Bar S Angus in Charenton, La. He passed his interest in Angus cattle on to his children and countless other youth as an Angus breeder, vocational agriculture teacher and Louisiana Junior Angus Association Advisor. In 1974, he took his children and junior Angus members from Louisiana to the National Junior Angus Heifer Show in Dallas, Texas, starting a tradition that did not end until his untimely death in 1999. Paul and his wife Vicki were named NJAA Advisors of the Year in 1982 and later inducted into the Honorary Angus Foundation. Today his children and grandchildren carry on his love of Angus cattle and the NJAS.

The Black Kettle Award was established in 1999 and first presented during the 2000 NJAS in Des Moines, Iowa. It is annually awarded to the highest scoring team among all categories and age divisions in the American Angus Auxiliary sponsored Certified Angus Beef® Cook-Off Contest.

Pat Grote was a woman dedicated to the members of the Texas Junior Angus Association and National Junior Angus Association (NJAA). She encouraged not only her own children, but all juniors to get involved in the NJAA and even gave them rides to the National Junior Angus Show (NJAS).

“Pat had a charisma that pulled you into work, laugh and support the juniors!” said Nancy Sullivan, friend and American Angus Auxiliary past president.

She believed in all the kids and the benefits the NJAA provided for them.

“One thing she believed in was educating the kids about beef,” said her husband Glen. “She also liked to give kids a pat on the back for a job well done.”

The Pat Grote Fund will pay for the registration fee for the Leaders in Engaged in Angus Development (LEAD) Conference to the overall winners of the intermediate division in the steak category of the Auxiliary sponsored All-American Certified Angus Beef® Cook-Off Contest at the NJAS. The Grote LEAD awards are non-transferable and only valid for the year of the contest or following year.

Pat was president of the American Angus Auxiliary at the time of her passing. In Pat’s honor, the American Angus Auxiliary annually presents the Grote Memorial Award to the first place intermediate extemporaneous public speakers at the NJAS.

Dick Spader

The Richard L. “Dick” Spader Award is given by the American Angus Auxiliary to the winner of the senior division in the extemporaneous public speaking contest. Spader served as executive vice-president of the American Angus Association for more than 20 years, from 1981 until his untimely death in 2001. A South Dakota native, he served in the U.S. Marines, and then earned a degree in agricultural journalism from South Dakota State University before joining the Angus Association’s public relations staff in 1969. He later served as a director of breed improvement, helping publish the first Angus Sire Evaluation Report. As executive vice-president, he guided the Association through some of its most troubling times, helping build registrations from a low of 133,000 in 1986 to 271,000 at the time of his death. He championed the use of field data to generate Expected Progeny Differences (EPDs), and insisted that the Sire Evaluation be distributed free to everyone. His vision and oversight of the Angus Foundation led to substantial growth in educational scholarships, youth programs, and breed research.

This award recognizes Dick’s unending support for the life skills contests offered through the National Junior Angus Association. Dick was especially supportive of the speech competitions and encouraged junior members, including his sons, to participate in these contests. It is in his memory and in recognition of his support of these programs that this award is presented. In addition to this award the Angus Foundation presents the top two scholarships in memory of Richard L. Spader.

TEAM SALES CONTEST

Robert "Bob" Laflin was a consummate salesman and marketer. He sold Angus cattle throughout the United States and believed that to be successful as an Angus breeder you had to be willing to sell some of your best ones. Bob believed in family and investing in youth. He encouraged his children and grandchildren to be involved in the junior Angus programs and was always willing to help other youth who were interested in Angus cattle. Bob encouraged his grandchildren to participate in the Team Sales contest and was always at the NJAS to cheer them on in the competition.

It is in his honor that the Laflin family through the Angus Foundation sponsors a special award for the champion senior salesmanship team in the Team Sales contest held each year during the NJAS.

Each member of the 1st place team in the senior division of the Team Sales contest will be presented with an "Angus Bull" sculpture by C. M. Herden in memory of Bob and commemorates his enthusiasm for sales.

**ANGUS/TALON YOUTH EDUCATIONAL LEARNING PROGRAM
ENDOWMENT FUND UNDERGRADUATE SCHOLARSHIPS – \$5,000**

Camron "Cam" Cooper, owner of The Talon Ranch in Twin Bridges, Mont., was a woman who loved the land and Angus cattle. She believed in educating our children, who are the future of the beef industry. She was a woman who had no need for the spotlight or accolades, but in 2009, at the Angus Foundation's Supporter Recognition Event in Louisville, Ky., her voice and words spoke volumes.

Cooper announced via video and formal letter she had made a significant bequest gift by naming the Angus Foundation as a charitable beneficiary of her estate. Establishing the Angus/Talon Youth Educational Learning Program Endowment Fund with current outright cash gifts and her bequest through the Angus Legacy Society, Cam played a critical role in empowering Angus youth to pursue a higher education while gaining an understanding of the importance of land and livestock stewardship. Today this Fund provides for undergraduate and graduate student scholarships and Angus youth internships.

In 2010, the Angus Foundation began awarding prestigious \$5,000 scholarships, renewable for up to four years contingent on the recipient continuing to meet the specific selection criteria for field of study and required high academic performance standards.

Dedication

50TH ANNUAL NATIONAL JUNIOR ANGUS SHOW

Madison, Wisconsin

The Joint Host State Committee from Wisconsin and Illinois proudly dedicate the 2018 National Junior Angus Show to all those who have contributed to previous 50 National Junior Angus Shows.

Each year, many individuals give unselfishly their time and talents to host the NJAS to give youth from across the nation a one-week experience of a lifetime. It's the many hard-working host state committee members that ensure the barns are ready, the participants feel welcome, provide a grand show arena, to assure the contest sites are prepared, hospitality to all and so much more. The host committee and the American Angus Association collaborate to provide a smooth running Angus show paired with contests galore including the National Junior Angus Showmanship Contest. We dedicate this show to all those who have ever served on an NJAS host state committee.

The staff of the American Angus Association work faithfully to ensure the NJAS is successful for every participant and their family members. Besides overseeing the largest junior breed show, they also manage each contest, supervise the host state committee and coordinate all site needs. We dedicate this show to all those who contributed to the National Junior Angus Show as a member of the American Angus Association staff.

In addition, we recognize the many sponsors to the past 50 National Junior Angus Shows. Without the continued financial support by many businesses and individuals, the NJAS wouldn't be the thriving show that it is. Many businesses and individuals buy raffle tickets, purchase program ads, give financial sponsorships, furnish in-kind donations, provide gifts and awards and so much more. We dedicate the 2018 NJAS to the many sponsors and contributors to all 50 National Junior Angus Shows.

Finally, we dedicate the 2018 NJAS to the exhibitors and contest participants of the NJAS over the last 50 years and this year. You have worked tirelessly with your Angus cattle and spent hours preparing for contests. Whereas you may not have taken home a class winner award, division winner or champion honors, you still believe it's the best week of the summer with your calves. Contest participants have endured many obstacles, but they have learned and competed with integrity. We dedicate the 2018 NJAS to you the exhibitors and contestants.

Thank you to all those who have made the journey to Madison, WI, for the 50th National Junior Angus Show. We hope you have a safe and memorable week with us!

When we began awarding Angus Stars in 2007, the purpose was to recognize Angus juniors for simply doing their best. Angus Stars are not earned by an application or competition. It's working, learning, improving and trying that "catches" the gold star! We receive personal recommendations from advisors, breeders, staff and, often, from juniors who have been recognized in previous years. In eleven years, over 750 NJAA members have earned Angus Stars symbolizing who they are as individuals, and what they are capable of doing.

NO GOAL IS EVER MET WITHOUT A LITTLE

SWEAT

SELF-ESTEEM

WILLINGNESS

ENTHUSIASM

AMBITION

TEAMWORK

We're looking for 50 Angus Juniors whose everyday S.W.E.A.T. makes them WINNERS every day.

Do you know a Junior with a winning work ethic who deserves an Angus Star? Look us up at NJAS and tell us why!

*Thanks to the adults and juniors who help us identify the Angus Stars – we couldn't do this without you!
Many juniors have said simply knowing their effort was noticed is what really matters to them.
And THAT'S why this program matters to us!*
