National Junior Angus Show 2020 - 9

Dear Angus Family,

Wow! The last few months have certainly been a roller coaster for many. Unprecedented, uncertain, unknown will be the words of 2020 for sure. But one thing that remained certain through it all was our willingness to do whatever it took to hold the National Junior Angus Show, an event that is a highlight for many of our Angus families.

For weeks, we were working through many scenarios and locations and countless calls and email chains with state and local officials. Once it was determined that Pennsylvania would no longer be able to host the National Junior Angus Show, we announced our move to Tulsa. There was such an overwhelmingly positive response. Members did not care where the show was going to be held, just that there would be something to work for and look forward to. So many individuals, junior members, advisors, parents, breeders, and staff alike, were quick to volunteer their time wherever need be. We cannot thank you all enough for your help and support in making this show a possibility for NJAA members.

On behalf of the National Junior Angus Board of Directors, the Events and Education Department welcomes you to Tulsa, Oklahoma where "It's all OK" for the 2020 National Junior Angus Show. We hope that regardless of how different the NJAS looks and feels from past years, the experiences will be cherished, the memories made, and friendships formed. May we never take for granted being together with our Angus family, despite the times we are in.

Good luck to each and every exhibitor. Here's to a great week!

Events and Education Department,

Jaelyn Upperman, Caitlyn Brandt, Madeline Bauer, Jera Pipkin, Calah Covey, Kacy Bland

HONORARY ANGUS FOUNDATION

Inspiring Youth

2020 National Junior Angus Show
Tulsa, Oklahoma

A Lifetime of Impact – David and Carolyn Gazda

David and Carolyn Gazda of Athens, Georgia, are household names within the Angus family. The couple is known across the country for their service leadership style and commitment to the Angus breed and its vast community. Over three decades of service is just a small indicator that proves the Gazdas to be more than deserving to be the 2020 inductees into the Honorary Angus Foundation.

“There are few more recognized faces in the Angus family than the Gazdas,” said Mark McCully, American Angus Association, CEO. “David’s 32 years of service to the Association and its members is a commitment that is truly worth recognition.”

It wasn’t until his high school graduation that David Gazda and his father purchased their first few cows. Quickly enough, they both became members of the Georgia Angus Association, and the rest was history.

Before David began his career with the Association, he managed a three species unit at Stephen F. Austin (SFA) State University while Carolyn finished up her master’s degree at the college in Nacogdoches, Texas. Soon after, David managed RSE Farms and later they both took positions at Quercus Farms, in Gay, Georgia.

Upon returning to Athens, David accepted his current position as a regional manager for the American Angus Association in 1988. Still covering the states Florida, Georgia and South Carolina, today, more than 30 years later, he is the longest-standing regional manager to have worked for the American Angus Association. In addition, he serves as the director of field services, where he manages the other 12 regional managers throughout the country.

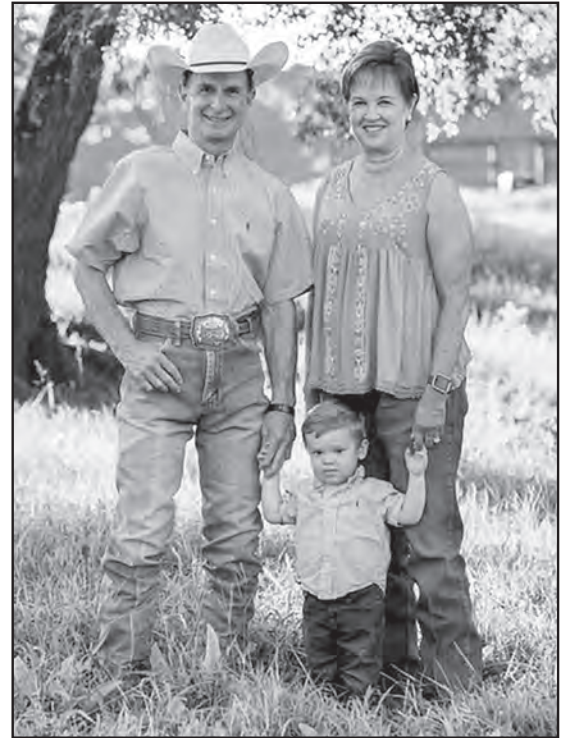

To the Gazdas, the American Angus Association has become like a second family. From assisting on the national, state and local levels on a volunteer basis to David’s role at the Association, much of their time is occupied by Angus activities. David has partnered with the states to plan six Eastern Regionals and two National Junior Angus Shows. He has been active in the Georgia Cattlemen’s Association, serving on the Executive Committee and as president in 2013. In 2014, the Young Cattlemen’s Council established the David Gazda YCC Visionary Award and made him the recipient of the first award. Then in 2014, he was inducted into the North Carolina Angus Hall of Fame and later in 2018, the Georgia Angus Hall of Fame.

“The commitment and servant leadership the Gazdas have exhibited is truly second to none,” said Thomas Marten, Angus Foundation executive director. “We are extremely thankful for their support.”

Carolyn also has devoted much of her time to the business breed, specifically, to the Georgia Junior Angus Association (GJAA). In 2010, she was recognized as the Advisor of Year at the 2010 National Junior Angus Show for her efforts as a longtime advisor of the GJAA. Later in 2019, she served on the committee of judges for the acclaimed National Junior Angus Show Showmanship Contest.

Among their core values of hard work and dedication, the value of family has always remained the top priority of David and Carolyn. The couple raised two daughters, Katie and Taylor, in the Angus breed. They also have one grandson, David Hudson Stipe, who is already a member of the National Junior Angus Association and has his own small herd of Angus cows.

Their qualities of support and vision for the Angus breed have helped the Association become what is today, and the Gazdas will surely leave a lasting impact for many years to come.

David and Carolyn Gazda

ADVISOR OF THE YEAR

2020 National Junior Angus Show
Tulsa, Oklahoma

Nelson Hager

Nelson Hager was a cheerleader for Angus youth. He was one of those special people you only come across once in a while, and he was passionate about youth in agriculture. Nelson was a rare soul that would do almost anything if he knew it would make someone happy or help them learn. He always took time out of his day to make someone's day brighter. He was so thoughtful and put everyone else first- he was truly selfless. Nelson's laugh was the best. His hugs were always genuine, and his heart pure. Those traits, which he displayed joyously, make him a perfect recipient of the 2020 National Junior Angus Show Advisor of the Year.

A champion of young people excelling in the Angus business, Nelson grew up showing in the Kansas Junior Angus Association, FFA, and 4-H. He was an active participant in the National Junior Angus Show for many years. After his show career as an Angus junior had ended, Nelson continued to be active in junior activities by mentoring many kids who had the drive and passion for Angus. He instilled in many a sense of self-confidence, self-worth, and perseverance. The Angus kids were "his kids," and he took any fresh-faced young person willing to work hard and listen under his wing.

A two-time Kansas Junior Angus Advisor, Nelson believed in "his kids." He was the guy in the shadows-helping, giving, and supporting.

The members of the Angus family who knew Nelson well cannot remember a National Junior Angus Show that he was not in attendance. However, his memory will live on in our hearts at this year's National Junior Show and in his young son, Aiden, who he wished to be involved in Junior Angus activities. Nelson was a true advocate of junior Angus excellence and has forever made a mark on its future.

CLASS PREMIUMS AND TROPHIES

offered by the American Angus Association.
Show under the supervision of Jaclyn R. Upperman,
Director of Events & Education.

ENTRY INFORMATION: Entries will be divided into seven categories, each showing youngest to oldest. In Ring 1, Bred-and-Owned Cow-Calf Pairs will show first followed by Owned Cow-Calf Pairs, Bred-and-Owned Bulls, and Bred-and-Owned Heifers. Phenotype and Genotype Show (PGS) Females will show in Ring 2, followed by Steers. Owned Heifers will show last. No more than 15 head will be shown in one class. The animals will be led into the show area in order of catalog entry number within each category.

Entries 1-96 are in the PGS Females Category

Entries 1 through 15 are in the Bred-and-Owned Cow-Calf Category

Entries 16 through 58 are in the Owned Cow-Calf Category

Entries 59 - 139 are in the Bred-and-Owned Bulls Category

Entries 140 through 219 are in the Steer Category

Entries 220 through 568 are in the Bred-and-Owned Heifer Category

Entries 569 through 1390 are in the Owned Heifer Category

Twenty-five percent (25%) will be added to the premiums for entries enrolled in the Angus Herd Improvement Records (AHIR) program. To be eligible for the twenty-five percent (25%) added premium, the animal exhibited must meet the following requirements by entry deadline:

- a. The animal being exhibited must have weights processed through AHIR.
- b. The dam of the animal being exhibited must have weight information processed on previous calves, or if the animal being exhibited is her first calf, the dam's own performance information must have been processed through the AHIR program.

Entry numbers which have an asterisk are eligible for the added AHIR premium.

ROBERT AND MARILLYN SCHLUTZ ANGUS SCHOLARSHIP ENDOWMENT FUND

In 1948, Robert (Bob) Schlutz bought his first registered Angus heifer as a 4-H project. Not long after, in 1953, Bob and his parents, Dale and Esther, formed a partnership that soon become known as Da-Es-Ro (Dale, Esther and Robert). Over the past 50 years, the herd has emerged into the current 125-cow purebred operation that focuses on producing seedstock that excel in economically important traits. The Schlutz family has pledged to continue the family tradition of producing cattle that meet the demands of their customers. Bob is a former American Angus Association Board director, Angus Foundation Board chairman and ex-officio of the Vision of Value: Campaign for Angus Leadership Cabinet. The Schlutzes not only focus on producing excellent cattle, they also held a place in their hearts for the members of the NJAA. Because of this, the Schlutzes donated \$25,000 in 2006 to establish the Robert and Marillyn Schlutz Angus Scholarship Endowment Fund to annually provide a \$1,000 scholarship to the exhibitor of the Champion Bred and Owned Heifer at the NJAS.

TEAM SALES CONTEST Sponsored by Vytelle

Robert "Bob" Laflin was a consummate salesman and marketer. He sold Angus cattle throughout the United States and believed that to be successful as an Angus breeder you had to be willing to sell some of your best ones. Bob believed in family and investing in youth. He encouraged his children and grandchildren to be involved in the junior Angus programs and was always willing to help other youth who were interested in Angus cattle. Bob encouraged his grandchildren to participate in the Team Sales contest and was always at the NJAS to cheer them on in the competition.

It is in his honor that the Laflin family through the Angus Foundation sponsors a special award for the champion senior salesmanship team in the Team Sales contest held each year during the NJAS.

Each member of the 1st place team in the senior division of the Team Sales contest will be presented with an "Angus Bull" sculpture by C. M. Herden in memory of Bob and commemorates his enthusiasm for sales.

**ANGUS/TALON YOUTH EDUCATIONAL LEARNING PROGRAM
UNDERGRADUATE SCHOLARSHIPS – \$5,000**

Camron “Cam” Cooper, owner of The Talon Ranch in Twin Bridges, Mont., was a woman who loved the land and Angus cattle. She believed in educating our children, who are the future of the beef industry. She was a woman who had no need for the spotlight or accolades, but in 2009, at the Angus Foundation’s Supporter Recognition Event in Louisville, Ky., her voice and words spoke volumes.

Cooper announced via video and formal letter she had made a significant bequest gift by naming the Angus Foundation as a charitable beneficiary of her estate. Establishing the Angus/Talon Youth Educational Learning Program Endowment Fund with current outright cash gifts and her bequest through the Angus Legacy Society, Cam played a critical role in empowering Angus youth to pursue a higher education while gaining an understanding of the importance of land and livestock stewardship. Today this Fund provides for undergraduate and graduate student scholarships and Angus youth internships.

In 2010, the Angus Foundation began awarding prestigious \$5,000 scholarships, renewable for up to four years contingent on the recipient continuing to meet the specific selection criteria for field of study and required high academic performance standards.

DeETTA WOOD MEMORIAL SCHOLARSHIP – \$1,000

DeEtta (Jones) Wood served as president of the North Carolina Angus Auxiliary and advisor of the North Carolina Junior Angus Association. At the Wood family's 2015 annual production sale, an Angus heifer was sold, raising more than \$20,000 towards starting the DeEtta Wood Memorial Scholarship and Achievement/Leadership Awards Endowment. A scholarship will be given to an undergraduate student. First preference will be given to students from North Carolina Fund in her honor.

Cara Smith, NC

WOODLAWN FARMS ANGUS SCHOLARSHIP – \$1,250

In 2005, Blanford and Joan Pierce of Creston, Ill., generously donated \$25,000 to establish the Woodlawn Farms Angus Scholarship Endowment Fund. Countless Angus breeders know Blanford and Joan for their continued involvement and devotion for advancing the Angus breed and Angus Foundation.

TOUGHER TOGETHER

From the very first time you stepped into the show ring, there is a fire in the stomach of every exhibitor, breeder, and livestock enthusiast. As time passes on, new techniques are learned, products are developed, partnerships are made, and rivalries are formed. One thing that has remained constant, regardless of what has happened in the world, is the strength of our stock show family. When fires blazed, blizzards stormed, and tragedies have struck, we have always come together. When times have gotten tough, we let go of grudges, put aside competitiveness, and banded together to support those in need. We may not know what tomorrow is bringing, but we do know that we are **TOUGHER TOGETHER**.
