Welcome to the

2010 National Junior Angus Show
July 11-17, 2010
Denver, Colorado

Dear NJAS 2010 Participants, Parents and Guests,

*It seems like only yesterday that Angus enthusiasts from three neighboring states began coordinating their efforts to create this special event. Once again the Mile High City, Denver, Colo., has become the site of a very unique National Junior Angus Show (NJAS), a reflection of the success that can be achieved when **teamwork** is involved. It is with great pleasure that the states of Colorado, Kansas and Nebraska welcome you to beautiful Denver, Colo., and the 2010 NJAS “Rush to the Rockies” and invite you to “Experience NJAS 2010.”*

You’re invited to bring your lawn chairs outside following the opening ceremonies and help us kick-off the week with a relaxing, fun-filled evening of great music and food in the shadows of the Rockies. “Stomp the Yard,” an outdoor picnic, concert and mixer, will kick-off a week packed with contests, seminars, performances, socials, complimentary meals and snacks, a superb display of cattle from all over the United States and numerous show vendors.

We want to thank everyone for all their hard work and dedication. It has been an unforgettable experience, working with so many talented Angus enthusiasts who have given an incredible amount of time and energy to this event. The tremendous financial support from the Angus breeders across the United States has insured that the 2010 NJAS will be remembered as an “incredible rush.”

Have fun and let us know if we can help you make this experience an unforgettable memory. Our wish is that you leave Denver with new friends, fond memories and a desire to “Rush to the Rockies” again.

Sincerely,

Britney Creamer

NJAS 2010 Welcomes from Nashville

The O'Donnells are a father and son duo who bring a combination of musical influences together to create an honest and refreshing new sound. Very rarely will you find a pair who can entertain the crowds like Darryl Lee and Klinton O'Donnell do. Audiences – young and old – are drawn to the passion and fire in their performance and the music they play, and the reason can be described in one word – 'REAL.'

Darryl Lee doesn't recall a time in his life when he was not interested in music so it was no surprise when his son Klinton showed an interest and talent in playing the piano and singing. It was obvious the apple didn't fall far from the tree when it came to their love for music. Both father and son have worked very hard together to sharpen their musical skills, and their hard work is evident in their distinctive lyrics and melodies. You owe it to your ears to hear their crisp harmony and the ease in which The O'Donnells perform.

Darryl Lee started singing in front of audiences at the age of six and by his early teens was also playing the banjo and guitar as well as writing his own songs. Darryl won several local competitions before making the move to Nashville in 1993 to pursue opportunities on a larger scale. Since his move he has sung background and played acoustic guitar for several well-known country acts. Over the years Darryl's vocal talent has lead him to perform in a variety of venues in and out of Nashville, and to being hired by studios and other songwriters to sing their demos. He has worked with several local talented artists and musicians including his son Klinton who started performing with him in 2006. Klinton started playing piano and singing in his teenage years and has already proven himself as a talented musician who has earned the respect and admiration of his peers. He made his debut appearance as a recorded artist on The O'Donnell's newly released single *Live To Love Another Day*.

www.theodonnells.com

Darryl's and Klinton's musical style and sound has been influenced by many great talented artists including: Merle Haggard, Little Roy Lewis, Ronnie Milsap, Bruce Hornsby, Restless Heart, Vince Gill and Joe Diffie. These early influences have helped them develop their vocals, instrumentation and songwriting to create a sound that is fresh to every listener, a unique hybrid blend that is undeniably known as THE O'DONNELLS.

Advisor of the Year

2010 National Junior Angus Show
Denver, Colorado

Gazda Honored as Advisor of the Year

Hardworking, dedicated and responsible - a general consensus of words used to describe Georgia Junior Angus Association (GJAA) Advisor Carolyn Gazda.

Her allegiance to the junior members in the state of Georgia and her loyalty to the Angus breed are recognized as she receives the National Junior Angus Association's (NJAA) 2010 Advisor of the Year Award at the National Junior Angus Show (NJAS), July 11-17 in Denver, Colo.

"She works hard," says Clay Williams, Georgia Junior Angus Association (GJAA) president. "She does what she says she's going to do, and she always makes sure she does it to the best of her ability."

Gazda has served as the GJAA advisor for seven years. During that time she has been instrumental in coordinating meetings, activities and shows on state and national levels.

"Carolyn is reliable and dependable," says Christy Page, Georgia Angus Association Secretary/Treasurer. "She's more of a behind-the-scenes kind of worker. Whatever she volunteers to do or agrees to do, you know she will handle it."

Page says she has known Gazda her entire life, but has had the opportunity to work with her on various committees for the last 10 years. Gazda and Page served as co-chairs for the 2009 NJAS in Perry, Ga.

"She would best be described as a person who gets the job done," says Larry Bramblett, president of the Georgia Angus Association.

Gazda's high energy level and enthusiasm toward Angus juniors are what Bramblett considers to be her best leadership qualities.

"Carolyn's really good about the one-on-one talking to kids and offering support, whether they're new kids or kids that have been doing this a while," Page says.

Both Page and Williams say Gazda encourages GJAA members to participate in contests and activities, as well as apply for scholarships.

"She's always asking for interest in all the different contests," Williams says. "She's always sending e-mails and newsletters."

Williams also credits a portion of his success as GJAA president to Gazda.

"She's helped me become a better officer," Williams says. "She's asked me to go out and interact more with the other junior members and that's helped me a lot."

Without a doubt, Carolyn Gazda's drive for commitment to the GJAA and the NJAA stems from her family's connection to the Associations.

Her husband, David, is an American Angus Association® regional manager for Florida, Georgia, and North and South Carolina. Their daughters Katie and Taylor have served as Miss American Angus and Miss Georgia Angus, respectively. The family resides near Athens, Ga.

"She's very dedicated to what she does," Page says. "She has a strong faith in the Angus industry, and you see that because her whole family is involved in the Angus industry."

HONORARY ANGUS FOUNDATION

2010 National Junior Angus Show
July 11-17, 2010

HONORED FOR A LIFETIME OF DEDICATION TO ANGUS

GREENACRES Foundation Recognized for Support of the Angus Foundation

The Greenacres Foundation, Cincinnati, Ohio, is a private, non-profit foundation committed to the preservation of agriculture and the natural environment for youth and future generations to experience through hands-on learning.

Because of their substantial contributions and support for the Angus Foundation and the National Junior Angus Association (NJAA), the Greenacres Foundation will be inducted into the Honorary Angus Foundation at the 2010 National Junior Angus Show (NJAS), July 11-17 in Denver, Colo.

"Greenacres has been very benevolent and generous to the Angus Foundation with financial resources over the past five years," says Milford Jenkins, president of the Angus Foundation. "Specifically, Leaders Engaged in Angus Development (LEAD)."

LEAD Conference is an annual gathering for Angus juniors age 14 and older. The purpose of the character-building event is for junior members to develop their leadership potential, share ideas for strengthening their state association involvement, and interact with junior members from across the country.

"The Greenacres Foundation has very generously provided funds to help put that [LEAD Conference] wonderful and invaluable leadership event together," Jenkins says. "We're so appreciative of Carter Randolph, a trustee of the Greenacres Foundation, and Aaron Payne, Greenacres farm manager, who believe in the Angus breed and who believe in the future of our Angus youth, and recognize the need to invest in that future by providing resources to the National Junior Angus Association, through the Angus Foundation."

Each year the NJAA board of directors selects individuals who have made a pledge to the success of the future of the Angus youth and the Angus breed by supporting the Angus Foundation.

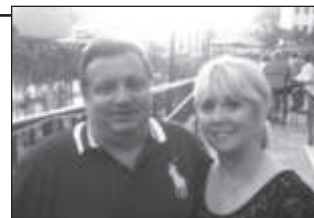

"We look for nominees that have gone above and beyond the call of duty to the Angus Foundation," says Robert Myers, Foundation director for the NJAA board.

The patronage of outside donors helps provide the Angus Foundation with the means to continue their support of Angus activities and events for all members of the American Angus Association®.

"Greenacres certainly epitomize what the Angus Foundation heritage stands for," Jenkins says. "This award provides us an opportunity to recognize Angus firms across the country that help us try to provide a better tomorrow for Angus breeders and the future generations of Angus family members."

Schnoor Family Honored for Commitment to Angus Breed

Brad and Mindy Schnoor's commitment to the National Junior Angus Association (NJAA) and the educational opportunities made possible by the Angus Foundation exhibits their dedication to the future and qualifies them for the Honorary Angus Foundation Award. They will be honored at the 2010 National Junior Angus Show (NJAS), July 11-17 in Denver, Colo.

"Generous Angus breeders such as the Schnoors are the only reason the Foundation can provide resources and funds to our education, youth and research programs that we do and at the level that we can," says Milford Jenkins, president of the Angus Foundation.

As members of the American Angus Association® since 1984, the Schnoors have put their faith and trust in the breed by allowing the NJAA to help shape the individuals their daughters have become.

"They've continued to support the Angus Association as a way of giving back to a program that has been such a significant portion of their daughters' lives," says Robert Myers, Foundation director for the NJAA Board of Directors.

The award recipients, selected by the NJAA Board, demonstrate more than a just financial contribution to the Angus Foundation.

"We look for nominees that show continued dedication to the Angus Foundation or dedication in such a large amount that is above and beyond what you'd consider for the average supporter of the Angus Foundation," Myers says.

As believers in the NJAA, the Schnoors provide more than monetary support to the Angus Foundation.

The Schnoor family showed their support of the NJAA by playing a significant role in the 2009 Leaders Engaged in Angus Development (LEAD) Conference and opening their home, near Chowchilla, Calif., to conference participants.

"They're always willing to give more than just money," Myers says.

The Angus Foundation relies on the support of individuals, like the Schnoors, who believe in the high standards set forth by Angus supporters.

"From an intangible standpoint they have provided enthusiasm," Jenkins says. "They've provided energy and a high level of endorsement illustrating their belief and their confidence in the future of the Angus breed."

The Grant-Humphreys Mansion at 770 Pennsylvania Street in Denver is as important for its architecture as for its association with two prominent names in Colorado history, James Benton Grant and Albert E. Humphreys. By the turn of the century, when the Grants commissioned architects Theodore Davis Boal and F.I. Harnois to design their new home on "Quality Hill," Americans had begun building in the Beaux-Arts style, borrowing elements from the high architectural periods of the ancient world and Renaissance Europe. The Grants' Beaux-Arts mansion is an exuberant mixture of elements, combining a brick facade with terra cotta balustrades, projecting balconies and 20-foot columns. The 30-room mansion was completed in 1902 at a cost of \$35,000.

James B. Grant died in 1911 and his widow sold the mansion in 1917 to Albert E. Humphreys and his wife, Alice Boyd Humphreys. Humphreys was born in Sissonville, Virginia (now West Virginia) in 1860. A determined entrepreneur, he had acquired - and lost - two fortunes in logging and mining before amassing a third through successful wildcat oil speculations in Oklahoma, Wyoming and Texas. Sharing the mansion with the couple were their son, Ira Boyd and his wife, Lucille. Ira was an inventor who won an engineering award for the Humphreys spiral concentrator, a device used in the development of ore concentration, during World War II. He was also an accomplished pilot in the early days of flight.

The Grant-Humphreys Mansion is listed on the National Register of Historic Places (1970) and has been designated a Denver Landmark (1976).

Thank you to the American Angus Association and NJAS 2010 for sponsoring the luncheon and the Queen's t-shirt sponsor, Mid America Ag Network, Greg Steckline, Wichita, Kan.

James Benton Grant was born in 1848 in Alabama, the son of a plantation owner later impoverished by the Civil War. After studying at the prestigious Freiburg Mining Institute in Germany, Grant moved to Leadville in 1877 to establish the Omaha and Grant Smelting Company. He married 24-year-old Mary Matteson Goodell in 1881, one of five granddaughters of Illinois governor Joel Matteson. In 1882 the Grant Smelting Company relocated to Denver, bringing the couple to the state capital. That same year, Grant was elected third governor of the state, a position he held for one term from 1883 - 1885. The Grants counted Denver's most wealthy and influential families among their friends, and the mansion was frequently the scene of receptions, teas, dinners and dances.

Congratulations!!

Congratulations to our junior showman on another year full of trips to the backdrop.

The next round of show prospects will be for sale **PRIVATE TREATY** this fall.

GREEN GIVES BACK

In the spirit of giving back, the current NJAA Board of Directors have created the NJAA Board Alumni and Friends Scholarship Endowment Fund. Created to give more scholarship opportunities to deserving youth of the NJAA, this fund seeks to endow a scholarship in honor of the men and women who have served the members of the NJAA through their time spent as Board of Directors.

Through the generous support of Bob and Margaret Duprey of Cherry Knoll Farm, West Grove, Pa., the drive to fund this endowment has been given even greater meaning. They have pledged \$25,000 in matching funds to lend support to the work of the NJAA.

Your financial support of the NJAA Board Alumni and Friends Scholarship Endowment Fund will ensure the Angus breed's future by providing funding for educational endeavors.

How can you help?

Visit with an NJAA Director or Milford Jenkins, Angus Foundation President during the National Junior Angus Show. Or speak to the Junior Activities Department at (816) 383-5100.

The Black Kettle Award

The Black Kettle Award will be presented to the highest placing team among all the age groups. This award, established by memorial contributions, is in memory of Paul B. St. Blanc, an Angus breeder and cook-off participant, fondly remembered for his black cooking pot at many of the cook-off contests. Mr. St. Blanc died suddenly after the 1999 National Junior Angus Show.

NJAA Board Members for 2009-2010

Pictured is the 2009-2010 National Junior Angus Association Board of Directors. (Seated from left) Kirbe Schnoor, Chowchilla, Calif., chairperson; Chris Cassady, Ancona, Ill., vice chairperson; Lindsay Waugh, Goodhue, Minn., communication director; Ashlyn Carter, Noblesville, Ind., leadership director; Andrew Rogen, Brandon, S.D., membership director; and Robert Myers, Yamhill, Ore., Foundation director. (Standing from left) Clinton Laflin, Olsburg, Kan.; Danielle Foster, Niles, Mich.; Jennifer Ann Smith, Elysian Fields, Texas; Jaclyn Upperman, Chambersburg, Pa.; Britney Creamer, Montrose, Colo.; and Cody Smith, West Plains, Mo.

On behalf of the National Junior Angus Association Board of Directors and myself, welcome to Denver, Colo. The 2010 National Junior Angus Show, themed "Rush to the Rockies," is sure to be a place for you to stake your claim.

Colorado, Kansas and Nebraska Angus Associations gathered their resources to offer a worthwhile experience for all those in attendance. We would like to thank all the individuals who spent countless hours and time preparing for an event of this level. A very special thank you goes to the 2010 NJAS executive committee: Jeff and Kathi Creamer, Colorado; Anne Lampe, Kansas; Scott and Jennifer Hoffschneider, Nebraska; Britney Creamer, Colorado; Clinton Laflin, Kansas; and Ellen Hoffschneider, Nebraska. We appreciate all you do for the National Junior Angus Association.

As you compete in the world's largest one-breed cattle show and other activities, take time to rekindle old and create new friendships with those who share the same love as you – Angus cattle. Join us as we "Rush to the Rockies" and take the NJAS experience to a new level.

Director of Junior Activities

Artist Dino Cornay, Folsom, NM will present his newest print from an original pencil piece of an Angus bull to the owners of the

*Grand Champion Owned Cow/Calf Pair
Grand Champion Bred & Owned Cow/Calf Pair
Grand Champion Bred & Owned Bull
Grand Champion Owned Heifer
Grand Champion Bred & Owned Heifer
Grand Champion Steer*

The award print will be available to the public for the first time at NJAS 2010. Dino, a New Mexico native, was born a 4th generation rancher; he began drawing at an early age. He received a degree in animal science from Kansas State University then returned home to the family ranch. His inspiration and attention to detail comes from the people, horses, cattle and the land that he loves.

NJAS 2010 is excited to have Dino's beautiful work be a part of your NJAS Experience and thanks him for recognizing the work of the NJAA members.

Please visit Dino Cornay's booth at the NJAS 2010 trade show.

CLASS PREMIUMS AND TROPHIES offered by the American Angus Association.

Show under the supervision of Robin Ruff, Director of Junior Activities.

ENTRY INFORMATION:

Entries will be divided into seven categories, each showing youngest to oldest. Carcass Steers will be on display. Bred-and-Owned Heifers will show first, followed by Steers, Bred-and-Owned Cow-Calf Pairs, Owned Cow-Calf Pairs, Bred-and-Owned Bulls, with Owned Heifers showing last. No more than 15 head will be shown in one class. The animals will be led into the show area in order of catalog entry number within each category.

Entries 1 through 50 are in the Carcass Steer Category.

Entries 51 through 356 are in the Bred-and-Owned Heifer Category.

Entries 357 through 456 are in the Steer Category.

Entries 457 through 472 are in the Bred-and-Owned Cow-Calf Category.

Entries 473 through 525 are in the Owned Cow-Calf Category.

Entries 526 through 613 are in the Bred-and-Owned Bulls Category.

Entries 614 through 1351 are in the Owned Heifer Category.

Twenty-five percent (25%) will be added to the premiums for entries enrolled in the Angus Herd Improvement Records (AHIR) program. To be eligible for the twenty-five percent (25%) added premium, the animal exhibited must meet the following requirements by entry deadline:

- a. The animal being exhibited must have weights processed through AHIR.
- b. The dam of the animal being exhibited must have weight information processed on previous calves, or if the animal being exhibited is her first calf, the dam's own performance information must have been processed through the AHIR program.

Entry numbers which have an asterisk are eligible for the added AHIR premium.

National Junior Angus Show 2010 - 81

You learn pretty fast in Junior Angus that not everybody is going to win, even some who deserve it most. But what often escapes all of us is that there can be glory in the details of the everyday. That there's victory in accepting a challenge when you may not even have a chance. That you'll find lasting achievement when you learn to focus on the things you did right...when how you have improved matters more than how you placed.

At the last three National Junior Angus Shows and NJAA "LEAD" Conferences, Belle Point Ranch presented gold badges engraved with the honorary title "Angus Star" to these NJAA members in recognition of their individual hard work, improvement, and achievements – in the barn, the contests, the show ring, and in their leadership pursuits. More "Angus Stars" will be honored in 2010.

It's not so much what our kids do, but how they do it that determines who they will become. A long time ago we realized that many of the young people who participate in Junior Angus may never actually be "the future of the Angus breed." And that's okay, because they have an even bigger role to play. The Angus youth we develop today are the future of our local communities, our states, and our nation. What can we do to help them be ready?

SHOWMANSHIP CONTEST
2010 National Junior Angus Show
Denver, Colorado

andis.

The American Angus Auxiliary has been an active part of the sponsorship of the National Junior Angus Showmanship Contest for many years. Each year the American Angus Auxiliary presents the top five placing showmen with a Silver Revere bowl.

Dean Hurlbut Award

Dean Hurlbut

The National Junior Angus Showmanship Contest was organized by Dean Hurlbut in 1967 to encourage young men and women to become interested in showing Angus cattle. Hurlbut coordinated the contest from its start until his retirement in July 2000 from the American Angus Association.

In honor of his dedication to this excellent competition, the top award in the contest is named the Dean Hurlbut Award.

Ham James Memorial

Ham James

The Hamilton James Memorial Fund awards cash to the top five showmen. Many young people have benefited from this fund and many more will be rewarded in the years to come. We wish to express our appreciation to the James Family for this perpetual memorial to Hamilton James and his lifetime interest in the junior programs of the American Angus Association.

NATIONAL JUNIOR ANGUS SHOWMANSHIP CONTEST

**July 15 & 17, 2010
Denver, Colorado**

In order to emphasize the widespread interest in Angus cattle among young men and women from farming communities throughout the United States, the 44th National Junior Angus Showmanship Contest is being held in conjunction with the National Junior Angus Show.

The contest is under the supervision of the Junior Activities Department of the American Angus Association and will be held in two parts. On Thursday, July 15 at 1:30 p.m., the contestants will show animals in the preliminary competition. The finals will be held Saturday, July 17 at 8 a.m.

Prizes awarded by the Angus Foundation and funded in part by the Hamilton James Memorial Fund will be as follows: First, \$350; second, \$250; third, \$175; fourth, \$125; fifth, \$100. The American Angus Association will award \$75 to sixth through the remaining places. The American Angus Auxiliary presents silver Revere bowls to the top five placing showmen. The 6th through the remaining places will receive a set of Andis® clippers donated by Andis®.

The young people competing have been selected in their state contests conducted by their state Angus associations. Contestants' birth dates must be from January 1, 1989 through December 31, 1995. The heifers have been drawn by lot from exhibitors in the National Junior Angus Show.

The showmanship event will be judged by a panel of outstanding showmen. They will consider the following in making their placings:

1. Skill, handling and response of the animal
2. Ability to follow instructions during the contest
3. Use of equipment by the contestant
4. Evidence of courtesy and sportsmanship of the contestant
5. General appearance of the contestant

BLACK KETTLE AWARD

Presented in memory of Paul St. Blanc to the highest placing team among all age groups.

The Black Kettle Award

The Black Kettle Award is given in memory of Paul B. St. Blanc. Following the death of Mr. St. Blanc his family looked for a way to honor his memory and looked no further than the National Junior Angus Show (NJAS) and the Certified Angus Beef® Cook-Off Contest. Mr. St. Blanc had a great passion for cooking and combined that passion with his love of family, Angus cattle and youth. He participated in the first Cook-Off Contest held at the NJAS and was a frequent contestant in subsequent years. Each year he could be found behind the scenes helping teams to light grills and prepare entries. Many of his "Angus friends" enjoyed delicious meals cooked in his black pot, or "kettle," in the tie outs or near the show box at Angus shows throughout the country. He always seemed to find "one more serving" in that pot for a new friend.

Paul St. Blanc became a member of the American Angus Association® in 1953 and along with his grandfather, father and brothers started Bar S Angus in Charenton, La. He passed his interest in Angus cattle on to his children and countless other youth as an Angus breeder, vocational agriculture teacher and Louisiana Junior Angus Association Advisor. In 1974, he took his children and junior Angus members from Louisiana to the National Junior Angus Heifer Show in Dallas, Texas, starting a tradition that did not end until his untimely death in 1999. Paul and his wife Vicki were named NJAA Advisors of the Year in 1982 and later inducted into the Honorary Angus Foundation. Today his children and grandchildren carry on his love of Angus cattle and the NJAS.

The Black Kettle Award was established in 1999 and first presented during the 2000 NJAS in Des Moines, Iowa. It is annually awarded to the highest scoring team among all categories and age divisions in the American Angus Auxiliary sponsored Certified Angus Beef® Cook-Off Contest.

Each member of the 1st place team in the senior division of the Team Sales contest will be presented with an "Angus Heifer" Sculpture by C.M. Herden in memory of Robert "Bob" Laflin. This sculpture commemorates Bob's enthusiasm for Angus and the sale of show heifer prospects to NJAA members wanting to select that next great one.

Bob was a consummate salesman and marketer. He sold Angus cattle throughout the United States and believed that to be successful as an Angus breeder you had to be willing to sell some of your best ones. Bob believed in family and in investing in youth. He encouraged his children and grandchildren to be involved in the junior Angus programs and was always willing to help other youth who were interested in Angus cattle. Bob encouraged his grandchildren to participate in the Team Sales contest and was always at the National Junior Angus Show to cheer them on in the competition.

It is in his memory and honor that the Laflin family through the Angus Foundation present these special awards.

Pat Grote was a woman dedicated to the members of the Texas Junior Angus Association and National Junior Angus Association (NJAA). She encouraged not only her own children, but all juniors to get involved in the NJAA and even gave them rides to the National Junior Angus Show.

"Pat had a charisma that pulled you into work, laugh and support the juniors!" said Nancy Sullivan, friend and American Angus Auxiliary past president.

She believed in all the kids and the benefits the NJAA provided for them.

"One thing she believed in was educating the kids about beef," said her husband Glen. "She also liked to give kids a pat on the back for a job well done."

The Pat Grote Fund will pay the registration fee for the Leaders Engaged in Angus Development (LEAD) Conference to the overall winners in the intermediate division of the fresh meat category of the Auxiliary sponsored All-American Certified Angus Beef® Cook-Off.

Pat was president of the American Angus Auxiliary at her time of passing. In Pat's honor the American Angus Auxiliary will present the Grote Memorial Award to the first place intermediate extemporaneous public speakers. The award will be given annually at the NJAS.

Pat Grote

Dick Spader

The Richard L. Spader award is given by the American Angus Auxiliary to the winner of the senior division in the extemporaneous public speaking contest. This award recognizes Dick's unending support for the life skills contests offered through the National Junior Angus Association. Dick was especially supportive of the speech competitions and encouraged junior members, including his sons, to participate in these contests. It is in his memory and in recognition of his support of these programs that the Auxiliary presents this award. In addition to this award the Angus Foundation presents the top two scholarships in memory of Richard L. Spader.

OUTSTANDING LEADERSHIP AWARD

The Outstanding Leadership Award was instituted in 1994 in memory of Barbara Smalstig and her support of the National Junior Angus Association (NJAA). This award is given to one junior member per year in recognition of their outstanding leadership and involvement in Angus activities as well as their community. This award is available only to members of the NJAA who are 14 years of age or older as of January 1 of the current year.

The award winner is announced at the National Junior Angus Show, but will be presented with an eagle statue and a \$500 cash award at the Annual Banquet of the American Angus Association in November.

JANET CASTLE CRYSTAL AWARD

The Janet Castle Crystal Award is in memory of Janet Castle, and is made possible by a generous donation from her family to the American Angus Auxiliary. Janet served as president of the Auxiliary in 1962 and was one of the founders of the Auxiliary scholarship fund. Janet's vision and dedication has helped many junior Angus members, and it is appropriate that the Auxiliary sponsor this award in her honor. This award is based on placings in the NJAA contests, which include CAB Cook-Off, team sales, extemporaneous and prepared speeches, poster, photography, graphic design, quiz bowl, career development and creative writing. Two awards are presented yearly: one each to the overall high-point girl and the high-point boy.

The Arkansas Activities Endowment Fund

An Evening With
Temple Grandin
Tuesday • July 13
6:30pm • Stadium Arena

Temple Grandin, Ph.D., is a designer of livestock handling facilities and a Professor of Animal Science at Colorado State University, she also happens to be the most accomplished and well known adult with autism in the world. Facilities she has designed are located in the United States, Canada, Europe, Mexico, Australia, New Zealand, and other countries. In North America, almost half of the cattle are handled in a center track restrainer system that she designed for meat plants, consulting for firms such as Burger King, McDonald's, Swift and others.

She obtained her B.A. at Franklin Pierce College and her M.S. in Animal Science at Arizona State University. Dr. Grandin received her Ph.D. in Animal Science from the University of Illinois in 1989. She has appeared on television shows such as 20/20, 48 Hours, CNN Larry King Live, PrimeTime Live, the Today Show, and many shows in other countries. She has been featured in *People Magazine*, the *New York Times*, *Forbes*, *U.S.*

News and World Report, *Time Magazine*, the *New York Times* book review, and *Discover* magazine. In 2010, *Time Magazine* named her one of the 100 most influential people. She has authored numerous books and articles and has even appeared on the *New York Times* best seller list. She also speaks around the world on both autism and cattle handling. (Courtesy of www.templegrandin.com)

In 2007, the Arkansas Junior Angus Association hosted the National Junior Angus Show. When fundraising projects resulted in a surplus of the operating expenses, Arkansas juniors decided to make a gift to the Angus Foundation's ***Vision of Value: Campaign for Angus***. They dedicated \$32,000 to the existing National Junior Angus Show (NJAS) Endowment Fund, which created the Arkansas Activities Endowment Fund to support the NJAS. The fund designates that the earnings of the endowment each year will be used to support activities that will benefit participants at the NJAS.

An additional \$1,500 was donated by Arkansas to enable funding of an activity in 2010. The Arkansas Activities Endowment Fund will purchase books by Grandin, which will be given to juniors in random drawings held during the National Junior Angus Show! Look for entry information when you get to Denver!

Bring your chairs to the Stadium Arena to hear Dr. Grandin!
