National Junior Angus Show

July 13-18, 2015
Tulsa, OK

Karisa Pfeiffer

Braden Henricks

Dear Angus Exhibitors and Enthusiasts:

Welcome to the 2015 National Junior Angus Show! Oklahoma is honored to host "Angus Leading the Way" in Tulsa, on July 13-18. The adult chairmen, junior chairmen, and executive committee have dedicated much of their time and effort toward preparing an excellent show.

Oklahoma is proud to host the National Junior Angus Show for the fifth time. We have worked tirelessly to prepare a week to be remembered! This year's show is filled with opportunities to get involved, ranging from contests to socials, and where you can enjoy food and fun. Plan to attend an exciting opening ceremony followed by the sensational tailgate and carnival sponsored by the Arkansas Activities Endowment Fund; this is a great time to renew friendships and meet new people who have traveled the country for a week of Angus fun. Four seminars are planned throughout the week, provided by Zoetis, Sullivan Show Supply, Purina Mills and Weaver Leather Livestock. They will offer important information on livestock evaluation, nutrition, fitting and showmanship. We encourage your attendance at the educational seminars.

This year our community service project is AgVocates for Exceptional Individuals. This organization provides programs that promote the cognitive, social and physical development of children with disabilities through the daily care and exhibition of livestock.

Tulsa offers many attractions including shopping, Tulsa Zoo; ONEOK Field, home of the Tulsa Drillers; the Philbrook Museum of Art; and Gilcrease Museum. Check the brochures in your welcome bags for a more specific guide to Tulsa and enjoy its amenities.

Coordinating this event has been a journey and the Oklahoma Junior Angus Association and the Oklahoma Angus Association thank all those who have helped make this event possible. Our committees, state advisors and juniors are excited to have you in Oklahoma.

Good luck to all the exhibitors participating in the show. Enjoy the week!

Advisor of the Year

2015 National Junior Angus Show
Tulsa, OK

NJAA Recognizes an Illinois 'Show Mom'

Sherry Adcock receives Advisor of the Year award at the 2015 NJAS.

Sherry Adcock

Sherry Adcock of Illinois is often the first in the barns at a cattle show. Throughout her years of service to the Illinois Junior Angus Association (IJAA), junior members are proud to consider her a "show mom" who is always prepared and willing to lend a hand.

A warm personality, coupled with a strong dedication to the Angus breed and its youth, are a few reasons why Adcock will be recognized with the Advisor of the Year award during the 2015 National Junior Angus Show (NJAS) in Tulsa, Okla.

"Sherry is one of those extraordinary leaders who will do whatever is necessary to achieve success, no matter the task," says Gabrielle Lemenager, IJAA president. "She is best known as the organized perfectionist who does a great deal of the behind-the-scenes work that many of our juniors never realize occurs."

Junior members would also say Sherry is devoted to each individual. She encourages juniors from their first year to their last to become more involved within the organization. Arriving before the show begins to get things started, and leaving once everything is cleaned, are a few reasons why Sherry has been known as "show mom."

"Sherry has touched the lives of so many kids in a positive way because of her selfless devotion of both her time and energy to the betterment of the IJAA," writes the McClure family, Lawrenceville, Ill. "She sees the bigger picture well beyond just showing cattle and how these organizations can leave a lasting imprint on our youth."

Though Sherry is known for being a positive influence for Illinois Angus juniors, she is also deeply involved within her community as a 4-H leader, past Central A & M School District's nurse, member of her church and local judging competitions.

"Sherry has an undeniable passion for Angus cattle, the Angus industry and Angus people," says Keegan Cassady, IJAA secretary. "She expects everyone to do their share, without complaining, and treats all of us equally with praise and encouragement."

Honorary Angus Foundation

Inspiring Youth

2015 National Junior Angus Show
Tulsa, OK

Thomas and Catherine Chambers

The late Thomas and Catherine Chambers of Chambers Angus, Ontario, Ore., were long-time Angus breeders passionate about the cattle and their Angus family.

Because of their dedication to the breed, it was always their intention to help others within the Angus industry. With no children of their own, in 1996 the couple chose the Angus Foundation as the sole charitable beneficiary of their estate - a generous gift to the future of Angus youth.

To recognize their dedication, the National Junior Angus Association (NJAA) will posthumously induct Thomas and Catherine into the Honorary Angus Foundation during the 2015 National Junior Angus Show (NJAS) in Tulsa, Okla.

"Thomas and Catherine were very modest, unpretentious and quiet individuals who were always thinking of the well-being of others, before their own," says Milford Jenkins, Angus Foundation president. "When visiting with the Chambers about Angus youth, their enthusiasm was evident when they smiled."

The legacy of Thomas and Catherine Chambers will live on through their endowment fund to support Angus youth activities. The first awards presented through the Chambers Angus Endowment Fund will be scholarships to attend the Leaders Engaged in Angus Development (LEAD) conference. Selected award winners will be named at the 2015 NJAS.

Thomas and Catherine were both Kansas City, Mo., natives. They married in Nevada and then made their way to eastern Oregon, where they established their registered Angus herd. Through the experience they gained building their cattle operation, the couple was able to pass that knowledge along to others getting started in the beef business and the Angus breed.

Gordon and Robin Keys

Both lifelong Angus cattle breeders, Gordon and Robin Keys of Beaver Dam Farm, Middleburg, Va., are leaving a lasting impression on Angus youth in their home states of Maryland and Virginia, respectively. In 2015, the family established two scholarship endowment funds through the Angus Foundation to benefit junior members for many years to come.

To recognize their dedication to youth, the National Junior Angus Association (NJAA) will induct Gordon and Robin into the Honorary Angus Foundation during the 2015 National Junior Angus Show (NJAS) in Tulsa, Okla.

"It has truly been an honor to get acquainted with Gordon and Robin," says Milford Jenkins, Angus Foundation president "I remember when Gordon mentioned he and his wife would like to make a major gift to the Angus Foundation. Through many conversations, they are leaving their legacy within the Angus breed and making a difference in the lives of Angus youth."

Prior to establishing the scholarship funds, the couple had been dedicated donors to the Angus Foundation. Recently, they felt the need to have a more personal impact on junior Angus members in their home states and help support them in their dreams of higher education.

Gordon's involvement with Angus cattle dates back to his childhood, and he provided the same opportunities to his children growing up. They participated in 4-H, showed Angus cattle and were involved in other activities throughout the agriculture industry - and they remain involved today.

Ed and Wilma Minix

Wilma and late husband Ed Minix of Black Witch Farms, Athens, Ga., built a successful registered Angus operation from the ground up. With no prior experience in the Angus business, they learned the ropes together and made a network of friends in the Angus community.

Most recently, Wilma has generously given back to Angus youth and the future of the breed by supporting the Angus Foundation.

To recognize their dedication, the National Junior Angus Association (NJAA) will induct Ed and Wilma Minix into the Honorary Angus Foundation during the 2015 National Junior Angus Show (NJAS) in Tulsa, Okla.

"The personification of southern hospitality, Ed and Wilma always made you feel welcome, and genuinely appreciated you taking the time to visit their farm and view their herd," says David Gazda, American Angus Association® regional manager. "No one is more deserving of such recognition than this gracious and caring couple, Ed and Wilma Minix."

In honor of Ed, Wilma has been a loyal contributor beginning with the purchase of the first granite planter in the *Building an Angus Legacy* project for $7,500. Now, when arriving at the American Angus Association headquarters in Saint Joseph, Mo., the Black Witch Farm logo is among the first to been seen etched into a granite planter near the building's entryway.

In 2014, Wilma established the Ed and Wilma Minix/Black Witch Farm Angus Youth Scholarship and Activities Endowment Fund, which was first awarded in 2014. Additionally, Wilma has named the Angus Foundation as one of three charitable beneficiaries in her estate plans.

"Though the Black Witch program will be remembered for its high quality Angus cattle, what many will always fondly remember was the first time they met its owners and the lifetime friendship that followed with this personable couple," Gazda says.

On behalf of the National Junior Angus Association Board of Directors, the Events and Education Department, and myself, welcome to Tulsa, OK. The 2015 National Junior Angus Show, "Angus Leading the Way" is sure to be an unforgettable event.

The Oklahoma Junior Angus Association and Oklahoma Angus Association put in countless hours to prepare for this weeklong event. The NJAS would not be possible without the time and dedication spent by the host state committee chairs and their members. A very special thank you goes to the 2015 NJAS adult executive committee: Jarold and Jennifer Callahan, Jerry and Ada Pfeiffer, Mark and Kathy Holder, Jason and Melanie Shepard, and David and Cara Gerken, and junior chairs: Kass Pfeiffer and Braden Henricks. We appreciate all that you do for the National Junior Angus Association!

A big thank you to the National Junior Angus Board of Directors! Their countless hours, passion, forward thinking, ambition, and heartfelt determination have been a huge contribution towards the NJAA. This group of young individuals has been exceptional in everything they have done and continue to do. It has been a difficult year for this group and I know it will be one they cherish the rest of their lives. We have had a pleasure working with each one of them throughout the year. I would like to extend a sincere thank you for their time and dedication towards the junior membership and the future of the NJAA.

Remembering Cory

Once in awhile, you met someone who leaves a lasting imprint on your life.

Jonathan Cory Watt, former National Junior Angus Board chairman, was one of those inspirational people for many in the Angus community. His contagious smile, enduring strength and deep-felt love for the Angus breed will continue to leave a legacy for years to come.

He was humble, yet fiercely competitive; a perfectionist in the showring who also knew how to laugh; and a true servant leader, never a bit concerned with his own accolades.

Cory was a young man who truly lived every minute of his 22 years on this Earth. He was determined to do his best; despite a lengthy battle with cancer, the pain it caused and the risk associated with pushing himself to the limit.

He lived his faith out-loud, and his passion for Angus cattle and its people gave him strength to serve the National Junior Angus Association (NJAA) - an organization richly blessed because of his leadership.

Carry these words from Cory with you this week at the National Junior Angus Show. He will remain in our hearts, now and forever.

What Really Matters

As I look back at my last 18 months on the National Junior Angus Board of Directors, there are a lot of things that come to mind. All Angus juniors can relate to the hard work that goes into everything we do. My own unique experience has led me to understand what really matters.

Always live in the moment that you are in at this time. You cannot change what has happened in the past and do not spend time worrying about the future. Just enjoy where you are right now. Make this moment count.

Always be happy, whether you place first, last or anywhere in between. Happiness is a mental state that always attracts more things to be happy about.

Always be yourself and look to your values of faith, hope and love, with the greatest being love. Identify your values every day and live by them.

Always be true to yourself and true to others. This will allow you to always make the right decisions in life.

Lastly, but most importantly, is your relationship with the Lord, "for what does it profit a man to gain the whole world, and lose his soul?" (Mark 8:36).

So it doesn't matter if you have a national champion or sell a bull or heifer for thousands of dollars, what matters is you have Jesus in your heart. Always do your best, and let God do the rest. "I can do all things through Christ who strengthens me." (Philippians 4:13)

Thank you and God bless.

BRIARWOOD ANGUS FARM/CURTIS AND ANN LONG ENDOWMENT FUND

With a long-standing commitment to the Angus breed, Dr. Curtis and Ann Long of Briarwood Angus Farms of Butler, Mo., generously funded a permanent endowment in the Angus Foundation. The Longs have always placed significance on the value of pertinent carcass information within their own herd, so it is only appropriate that their endowment will permanently support the NJAA Carcass Steer Contest awards at the NJAS. The 2008 Carcass Steer Contest awards at the NJAS in Des Moines, Iowa, was the first year the Longs' gift was used to provide cash awards to the top 10 entries as well as other premiums to all other qualifying entries. All carcasses that met CAB standards received an additional 25 percent in premiums. It is the Longs' hope that by providing this permanent endowment, Angus youth will develop an understanding of the additional economic benefits from producing outstanding beef carcasses.

ROBERT AND MARILLYN SCHLUTZ ANGUS SCHOLARSHIP ENDOWMENT FUND

In 1948, Robert (Bob) Schlutz bought his first registered Angus heifer as a 4-H project. Not long after, in 1953, Bob and his parents, Dale and Esther, formed a partnership that soon become known as Da-Es-Ro (Dale, Esther and Robert). Over the past 50 years, the herd has emerged into the current 125-cow purebred operation that focuses on producing seedstock that excel in economically important traits. The Schlutz family has pledged to continue the family tradition of producing cattle that meet the demands of their customers. Bob is also a former American Angus Association Board director and Angus Foundation Board chairman and ex-officio of the Vision of Value: Campaign for Angus Leadership Cabinet. But the Schlutzs not only focus on producing excellent cattle, they also hold a place in their hearts for the members of the NJAA. Because of this, the Schlutzs donated $25,000 in 2006 to establish the Robert and Marillyn Schlutz Angus Scholarship Endowment Fund to annually provide a $1,000 scholarship to the exhibitor of the Champion Bred and Owned Heifer at the NJAS.

Dam – **SAV Blackcap May 4136**

SAV Universal 4038 is the $200,000 Lot 1 lead-off and top-selling International bull from the 2015 SAV Sale where he was a crowd favorite. He scanned a 365-day ribeye of 18.8 inches and earned EPDs for weaning and yearling weight in the breed's top 1%. He combines a sterling pedigree with impeccable phenotype and herd bull presence. His superior structure, feet quality and docility, complete a perfect resume.

The phenomenal dam of Universal is the most highly regarded cow in the Angus breed and high income-producing cow in SAV history with $3.75 million in direct progeny sales. She has 42 daughters working in the SAV herd and is the dam of multiple high-sellers and AI stud sires, including Resource, Renown, Recharge, Pedigree and Seedstock.

SAV Universal 4038 offers one of the most exciting genetic and visual packages available in the breed – Order semen early!

Each breeding program is unique, and the goals of each operation are different. That is why I take the time to evaluate each herd to identify the strengths of every individual animal within a sale offering—genetically, phenotypically and numerically—in order to design a marketing plan to maximize their value by targeting the market that will appreciate them the most.

Congratulations, Juniors, and Good Luck!

They don't give prizes for Pitchfork Proficiency.

But maybe they should.

Proficient: adj. fully competent; skilled; an expert.

Picking up after cattle does not require a lot of skill. And, for sure, there isn't any glamour in being good at it. While it may not seem like a very important job, just try doing it halfway. Or not at all. The results of your lack of effort and attention will soon pile up.

Learning to give the best of yourself to everything you do will help develop your proficiency when and where it counts most: at home, at school, at the barn, in friendships, in organizations, in competitions. No matter the job, do what it takes, all the way, every time. You will advance your knowledge and skills, develop self-esteem and earn the respect of your peers.

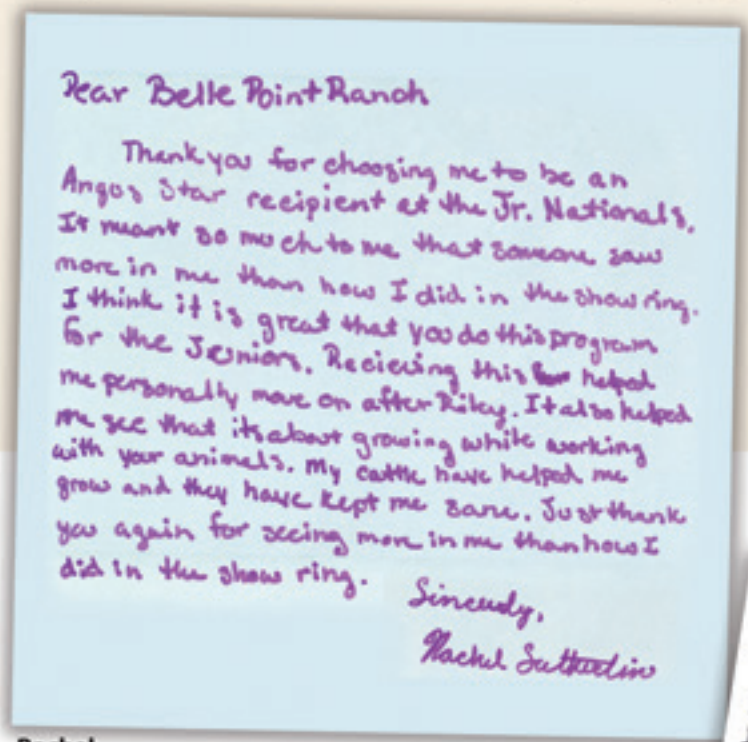

Practice being an expert at doing your best. You may be sweeping the aisle, or speaking up in the quiz bowl, or sticking to it when the show ring just isn't going your way. The end result doesn't matter to us. What counts is doing YOUR best, gaining experience and confidence, and never giving up! Practice makes proficient.

Improvement. Perseverance. Cooperation. Extra Effort.

Since 2007, we have recognized close to 600 Angus youth of all ages, from all over the nation, with Angus Stars. Many juniors have said simply knowing their effort was noticed is what really matters to them. And THAT'S why this program matters to us.

The Angus Star gold badge recognizes individual hard work, determination, improvement and achievement in the barn, the contests, the show ring and leadership.

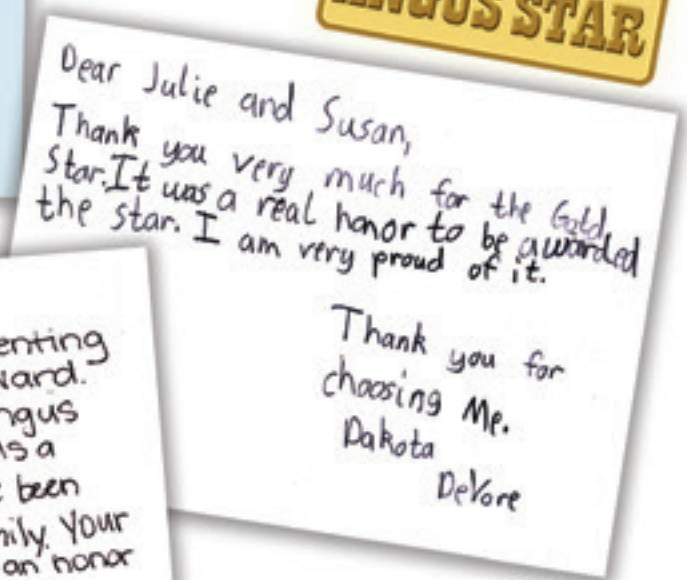

Dear Belle Point Ranch

Thank you for choosing me to be an Angus Star recipient at the Jr. Nationals. It meant so much to me that someone saw more in me than how I did in the show ring. I think it is great that you do this program for the Juniors. Recieving this has helped me personally move on after Riley. It also helped me see that it's about growing while working with your animals. My cattle have helped me grow and they have kept me sane. Just thank you again for seeing more in me than how I did in the show ring.

Sincerely,
Rachel Sutherlin

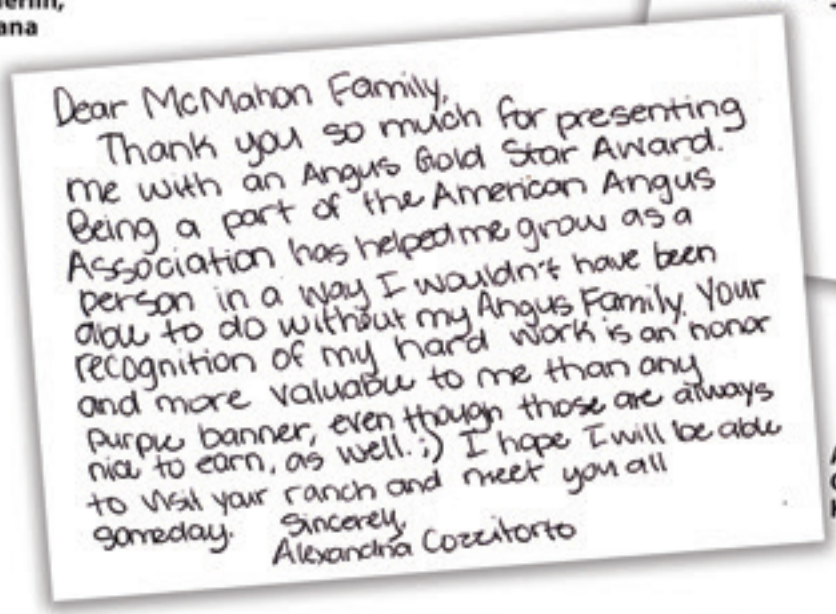

Rachel Sutherlin, Indiana

Dear Julie and Susan,
Thank you very much for the Gold Star. It was a real honor to be awarded the star. I am very proud of it.

Thank you for choosing Me.
Dakota DeVore

Dakota Devore, Iowa

Dear McMahon Family,
Thank you so much for presenting me with an Angus Gold Star Award. Being a part of the American Angus Association has helped me grow as a person in a way I wouldn't have been able to do without my Angus Family. Your recognition of my hard work is an honor and more valuable to me than any purple banner, even though those are always nice to earn, as well. ;) I hope I will be able to visit your ranch and meet you all someday.
Sincerely,
Alexandra Cozzitorto

50 Angus Stars will be awarded at the 2015 NJAS.

Thanks to the adults and juniors who help us identify the "Angus Stars" – we couldn't do this without you!

NATIONAL JUNIOR ANGUS SHOWMANSHIP CONTEST

July 16-18, 2015 – Tulsa, OK

In order to emphasize the widespread interest in Angus cattle among young men and women from farming communities throughout the United States, the 49th National Junior Angus Showmanship Contest is being held in conjunction with the National Junior Angus Show.

The contest is under the supervision of the Events & Education Department of the American Angus Association and will be held in two parts. On Thursday, July 16 at 1:30 p.m., the contestants will show animals in the preliminary competition. The finals will be held Saturday, July 18 at 8 a.m.

Prizes awarded by the Angus Foundation and funded in part by the Hamilton James Memorial Fund will be as follows: First, $350; second, $250; third, $175; fourth, $125; and fifth, $100. The American Angus Association will award $75 to sixth through the remaining places. The American Angus Auxiliary has been an active part of the sponsorship of the National Junior Angus Showmanship Contest for many years. Each year the American Angus Auxiliary presents the top five placing showmen with a Silver Revere bowl.

The young people competing have been selected in their state contests conducted by their state Angus associations. Contestants' birth dates must be from January 1, 1994, through December 31, 2000.

The showmanship event will be judged by a panel of outstanding showmen. They will consider the following in making their placings:

1. Skill, handling and response of the animal
2. Ability to follow instructions during the contest
3. Use of equipment by the contestant
4. Evidence of courtesy and sportsmanship of the contestant

Dean Hurlbut Award

The National Junior Angus Showmanship Contest was organized by Dean Hurlbut in 1967 to encourage young men and women to become interested in showing Angus cattle. Hurlbut coordinated the contest from its start until his retirement in July 2000 from the American Angus Association.

In honor of his dedication to this excellent competition, the top award in the contest is named the Dean Hurlbut Award.

Ham James Memorial

The Hamilton James Memorial Endowment Fund was established by friends of Hamilton James to pay tribute to his years of dedication to the Angus industry. Beginning with the 1983 National Junior Angus Show, this fund carries Hamilton James' legacy through an annual scholarship award that is given to the winner of the showmanship contest at the NJAS.

BLACK KETTLE AWARD

The Black Kettle Award is given in memory of Paul B. St. Blanc. Following the death of Mr. St. Blanc his family looked for a way to honor his memory and looked no further than the National Junior Angus Show (NJAS) and the Certified Angus Beef® Cook-Off Contest. Mr. St. Blanc had a great passion for cooking and combined that passion with his love of family, Angus cattle and youth. He participated in the first Cook-Off Contest held at the NJAS and was a frequent contestant in subsequent years. Each year he could be found behind the scenes helping teams to light grills and prepare entries. Many of his "Angus friends" enjoyed delicious meals cooked in his black pot, or "kettle," in the tie outs or near the show box at Angus shows throughout the country. He always seemed to find "one more serving" in that pot for a new friend.

Paul St. Blanc became a member of the American Angus Association® in 1953 and along with his grandfather, father and brothers started Bar S Angus in Charenton, La. He passed his interest in Angus cattle on to his children and countless other youth as an Angus breeder, vocational agriculture teacher and Louisiana Junior Angus Association Advisor. In 1974, he took his children and junior Angus members from Louisiana to the National Junior Angus Heifer Show in Dallas, Texas, starting a tradition that did not end until his untimely death in 1999. Paul and his wife Vicki were named NJAA Advisors of the Year in 1982 and later inducted into the Honorary Angus Foundation. Today his children and grandchildren carry on his love of Angus cattle and the NJAS.

The Black Kettle Award was established in 1999 and first presented during the 2000 NJAS in Des Moines, Iowa. It is annually awarded to the highest scoring team among all categories and age divisions in the American Angus Auxiliary sponsored Certified Angus Beef® Cook-Off Contest.

GRAPHIC DESIGN CONTEST

NJAA Graphic Design Contest Cash Awards Sponsor: Fred and Shirley Williams, Fair Oaks Farm, Fort Smith, Ark.

Birth of ideas can begin anytime, anywhere. Over breakfast at Jackson Hole, Wyo., in 2005, Fred and Shirley, owners of Fair Oaks Farm, Fork Smith, Ark., shared their interest in charitably supporting the Angus Foundation. Shirley was president of the American Angus Auxiliary at the time, and the Williams' daughter Elizabeth was very active in the NJAA and NJAS. She exhibited Angus females and competed in a variety of contests, including the graphics design competition. With Fred's business interests in advertising and marketing and Fred and Shirley's daughter's wonderful experiences as an NJAA member, giving something back to the Angus breed by sponsoring the graphics design contest cash awards at the NJAS was an easy decision. The Williams' generous charitable gifts to the Angus Foundation makes these cash awards possible for the Angus youth winning first, second and third in each of the graphics design contest age divisions.

Pat Grote

Pat Grote was a woman dedicated to the members of the Texas Junior Angus Association and National Junior Angus Association (NJAA). She encouraged not only her own children, but all juniors to get involved in the NJAA and even gave them rides to the National Junior Angus Show (NJAS).

"Pat had a charisma that pulled you into work, laugh and support the juniors!" said Nancy Sullivan, friend and American Angus Auxiliary past president.

She believed in all the kids and the benefits the NJAA provided for them.

"One thing she believed in was educating the kids about beef," said her husband Glen. "She also liked to give kids a pat on the back for a job well done."

The Pat Grote Fund will pay for the registration fee for the Leaders in Engaged in Angus Development (LEAD) Conference to the overall winners of the intermediate division in the steak category of the Auxiliary sponsored All-American Certified Angus Beef® Cook-Off Contest at the NJAS. The Grote LEAD awards are non-transferable and only valid for the year of the contest or following year.

Pat was president of the American Angus Auxiliary at the time of her passing. In Pat's honor, the American Angus Auxiliary annually presents the Grote Memorial Award to the first place intermediate extemporaneous public speakers at the NJAS.

Dick Spader

The Richard L. "Dick" Spader Award is given by the American Angus Auxiliary to the winner of the senior division in the extemporaneous public speaking contest. Spader served as executive vice-president of the American Angus Association for more than 20 years, from 1981 until his untimely death in 2001. A South Dakota native, he served in the U.S. Marines, and then earned a degree in agricultural journalism from South Dakota State University before joining the Angus Association's public relations staff in 1969. He later served as a director of breed improvement, helping publish the first Angus Sire Evaluation Report. As executive vice-president, he guided the Association through some of its most troubling times, helping build registrations from a low of 133,000 in 1986 to 271,000 at the time of his death. He championed the use of field data to generate Expected Progeny Differences (EPDs), and insisted that the Sire Evaluation be distributed free to everyone. His vision and oversight of the Angus Foundation led to substantial growth in educational scholarships, youth programs, and breed research.

This award recognizes Dick's unending support for the life skills contests offered through the National Junior Angus Association. Dick was especially supportive of the speech competitions and encouraged junior members, including his sons, to participate in these contests. It is in his memory and in recognition of his support of these programs that this award is presented. In addition to this award the Angus Foundation presents the top two scholarships in memory of Richard L. Spader.

TEAM SALES CONTEST

Robert "Bob" Laflin was a consummate salesman and marketer. He sold Angus cattle throughout the United States and believed that to be successful as an Angus breeder you had to be willing to sell some of your best ones. Bob believed in family and investing in youth. He encouraged his children and grandchildren to be involved in the junior Angus programs and was always willing to help other youth who were interested in Angus cattle. Bob encouraged his grandchildren to participate in the Team Sales contest and was always at the NJAS to cheer them on in the competition.

It is in his honor that the Laflin family through the Angus Foundation sponsors a special award for the champion senior salesmanship team in the Team Sales contest held each year during the NJAS.

Each member of the 1st place team in the senior division of the Team Sales contest will be presented with an "Angus Bull" sculpture by C. M. Herden in memory of Bob and commemorates his enthusiasm for sales.

ANGUS/TALON YOUTH EDUCATIONAL LEARNING PROGRAM ENDOWMENT FUND UNDERGRADUATE SCHOLARSHIPS – $5,000

Camron "Cam" Cooper, owner of The Talon Ranch in Twin Bridges, Mont., was a woman who loved the land and Angus cattle. She believed in educating our children, who are the future of the beef industry. She was a woman who had no need for the spotlight or accolades, but in 2009, at the Angus Foundation's Supporter Recognition Event in Louisville, Ky., her voice and words spoke volumes.

Cooper announced via video and formal letter she had made a significant bequest gift by naming the Angus Foundation as a charitable beneficiary of her estate. Establishing the Angus/Talon Youth Educational Learning Program Endowment Fund with current outright cash gifts and her bequest through the Angus Legacy Society, Cam played a critical role in empowering Angus youth to pursue a higher education while gaining an understanding of the importance of land and livestock stewardship.

In 2010, the Angus Foundation began awarding these prestigious $5,000 scholarships, renewable for up to four years contingent on the recipient continuing to meet the specific selection criteria for field of study and required high academic performance standards.

It is not the critic who counts, not the man who points out how the strong man stumbled, or where the doer of deeds could have done better.

The credit belongs to the man who is actually in the arena;

whose face is marred by dust and sweat and blood;

who strives valiantly, who errs and comes short again and again;

who knows the great enthusiasms, the great devotions, and spends himself in a worthy cause; who at best knows achievement and who at the worst if he fails, at least fails while daring greatly so that his place shall never be with those cold and timid souls who know neither victory nor defeat.

— Theodore Roosevelt
Paris, 1910

As future beef producers, you will be challenged.
Be in the arena of life. Strive valiantly for worthy causes.
Know great enthusiasms and achievements.

Dare greatly.

COMPETITION

It's what gives meaning to Success.

If you happen to win your class or a championship...good job!
Since we all know that everyone can't win every time, here are ten things you can do that will define your success this week, and the rest of your life.

Give it your all – all day long. Save time for a little fun, and a little work for tomorrow.

Choose your attitude. Instead of saying "I've got to..." practice saying "I get to...."

Offer a helping hand. Make a point to include the shy kid who always sits alone.

Decide to try new things, and give different ideas a chance. Lighten up.

Get along for the good of the group. Do your part and let others do theirs.

Watch someone you admire. Ask questions, listen to the answers, and learn.

Accept criticism without taking it personally. You'll be surprised how quickly you will improve.

Say thanks to your parents, your advisors, and the show hosts. Say it now, say it often.

Compliment a friend, or someone you don't even know. Your acceptance matters.

Realize everybody has good days and bad days. Give 'em a break, there will be another show.

You knew the best Angus cattle and the brightest Angus kids would be here.
Did you know that what YOU learn makes the NJAS worthwhile for the Angus breed?

Notice the new skills and confidence you have developed since last year.
That's truly what all this is about. Award yourself a blue ribbon for effort!

No matter where you land in the line-up, remember this: You showed up, you did the work, you hung in there, you learned a lot. And, you'll be back.
All that makes you a true competitor. It means you have succeeded. Congratulations!

ANGUS Ambassador

Emma Jumper

Few opportunities compare to serving as the Angus Ambassador for the business breed.

The American Angus Association and the National Junior Angus Association (NJAA) believes in developing the leadership potential in its future generations. Through a number of conferences and events held throughout the year, the NJAA promotes forward thinking in its youth and an understanding of our industry - both critical areas as junior members fulfill their future roles in our organization and the beef business.

During my year of service as the Angus Ambassador, my list of memorable activities includes many experiences; networking with industry leaders, corresponding with members in blogs, interacting with legislators, learning just how much 3.4 ounces means for weeklong trips, and furthering my education on each aspect of the business - from pasture to plate.

Our community of like-minded agriculturalists, better known as U.S. ranchers, operate amid the most unpredictable environments - political, social, and environmental - in history. Yet, we've succeeded in providing the most sustainable, quality protein our world has ever known.

I'm proud to say that I've met these individuals. I've been allowed the privilege of serving alongside them as we trust three things: power and promise in a Mighty Caretaker, timely rain, and healthy calves. This, and more, through the honor and blessing of serving Angus breeders and benefactors.

Emma Jumper, Paragould, AR

A junior at Mississippi State University double majoring in business administration and a foreign language. A former National Beef Ambassador, Jumper's involvement in the beef business runs deep. She and her family operate Rock Creek Angus Ranch in northeast Arkansas, where Jumper says she experienced some of her most important life lessons. Today, they service the mid-Southern region with registered herd sires, replacement heifers and show cattle.

The Real MVP

Bulls get the glory, but mamas make the herd.

There's nothing better than an easy-doing cow. One that'll stay in the herd, produce a calf and quietly add to the bottom line, year after year.

Maternal value and profit go hand in hand. Ensure your cows contribute both with MaternalPlus®.

The American Angus Association® voluntary, inventory-based reporting system helps breeders track traits like fertility and calving interval — factors that directly influence breeding success.

MaternalPlus® ultimately powers the development of reproductive and lifetime productivity tools and grants breeders exclusive benefits like **herd summaries**, faster access to **preweaning EPDs**, **within-herd genetic trends** and **marketing benefits**.

It also gives buyers peace of mind knowing they've just scored proven genetics.

Enroll in MaternalPlus® today through AAA Login, available at *www.angus.org*.
