- 1) All trailers (including semis) will be required to enter LOT V located off Phillips Lane to have Health Papers checked before entering the facility grounds.
- 2) Once given a Vet Verification Slip you will follow the green line to the cross over where you will be greeted. Here you will receive a stalling map and be assigned a barn door entry according to where your state is stalled.
- 3) Follow the Circle of Champions Road (green line) to A, B, or C unloading areas to unload your tack depending on where you are stalled.
- 4) To help with flow and congestion, please unload everything from your trailer to your stalls. Do NOT start setting up your stall area until your trailer has been moved into trailer parking.
- 4) Once your trailer is unloaded, follow the map to trailer parking. If you need to unload cattle first go to tie outs next, then take Circle of Champions all the way around again back to Trailer Parking. Parking attendants will be on site directing traffic.
