

2025 National Junior Angus Show Health Requirements

Show Location: Expo Square
4145 E 21st St
Tulsa, OK 74117

Health requirements for show cattle:

- From all states with exceptions in Michigan, a CVI and individual ID by official USDA ear tag is required.
- For cattle coming from Alcona, Alpena, Montmorency and Oscoda counties in Michigan, a permit is required, along with CVI, individual ID by official USDA ear tag and a negative TB test within 60 days of entry.

CVIs should be received within 30 days of entry. There should be only one state of destination on the CVI; however, there may be more than one destination city within the same state on a single CVI.

Recognized individual identification includes official USDA ear tags, registered tattoos or registered brands (with a copy of registration papers accompanying animal).

A full outline of health requirements governing the admission of animals can be reviewed by scanning the QR code to the left.

With questions, please contact the Animal Industry Services of the Oklahoma Department of Agriculture, Food and Forestry at 405-522-6141.
